New GEOs in CasualDating!!!

We are happy to announce that our CasualDating offer is now live in **2 new GEOs:**
Chile and South Korea!

The offer is now available in **41 different GEOs!**

[I have traffic in CL or/and KR!](#)

Sexy, sexier and the sexiest: Whatssexy.com!!!

When the temperatures outside are decreasing, the evenings are getting shorter, and the weather rainier, most people prefer to **stay indoors and under a duvet.**

This provides a perfect opportunity to **find someone to get naked with** and stay under the blanket for some heat 😊

The solution we have found at TrafficPartner is?

WhatSexy.com

is our latest addition to the Trafficpartner portfolio.
Available for **SOI, DOI & Revshare**
deals! **Contact Ilze now!!!**

Our **community products** are constantly being improved to create the best experience for users to **fulfill their naughty desires.**

With **more than 25K amateur models**, a wide variety of juicy content and lots of special promotions!

Don't wait too long, our COMMUNITY OFFERS are waiting for YOUR traffic with **hot CPL payouts** and variety of landing pages to choose from, to **reach your best CVR** and many other possibilities to **MAKE MONEY together!**

Reach out to Simona to set up these brands 😊

Hot is my middle name!

Optimise your targeting strategy in Apps

You know that at TrafficPartner, we always try to help you **improve your performance**.

This month, we want to give you some tips to **optimize your Apps traffic in English speaking countries**, according to the age groups and device types. To do that, we use a special TrafficPartner receipt: the **Acquisition Power**.

So, **click on the report below** to see which age group and which device type you should target in your next campaigns!

[PS: add a link to the PDF on the image!]
