About the Show:

Legendary Glitterus is the last remaining dragon in a world that has plunged into the darkness of heart and spirit. In order to continue her species and save the world, Glitterus summons five Priestesses from scattered tribes to find her lost eggs. During the priestesses' journey to save the baby Glits and defeat the power-hungry Tower Wizard, they laugh, they battle, they jam out

with their claws out and learn that they are stronger when they fight united. With female-fronted psychedelic stoner metal music plucking your ear strings, you will laugh, you will cry, you will slide out of your seats during *Glitterus: Dragon Rising*.

ALL ROLES ARE OPEN!

Roles include the five priestesses, an artist narrator, an evil sorcerer, a giantess, a dragon, dancers, and the various fantastical inhabitants of the realm.
