timber

T1300 / T1400 / T1500

- Stand-alone bench in a sleek, sporty design for relaxed sitting, no matter what kind of waiting area you are in
- Shaped wood shell manufactured in one piece, of oak or HPL, gives an optical illusion of floating through its minimalistic high-quality diecast aluminium frame
- Available as three-seater, four-seater and five-seater
- Optionally available with armrests that match the shell
- Optionally available with matching upholstery
- Anti-slip glider for an even more steady footing
