Parents of children attending YRAD classes aged 4yrs and under should remain within the premises in the designated waiting area provided.

Should you not be able to stay for the class duration you will need to inform the teacher which other parent / carer will be responsible for your child during their class.

From the age of 5+ we welcome parents to leave the premises for the class duration and return to collect at the finish time.

Please refer to our [Terms and Conditions](#) for further information.
