Avant-Garde Wealth is owned by Jacklyn Brooke Cassady and Sabina Smailhodzic Lewis. Avant-Garde Wealth does not have the intent to open other offices, hire additional employees, or seek registration in other jurisdictions or with the SEC at this time.

Avant-Garde Wealth provides services which may include ongoing financial planning, hourly financial planning, investment management, financial coaching, and/or financial education (seminars and webinars). Our goal for our services is to help clients understand and take control of their finances to live their best life. Avant-Garde Wealth uses the financial planning process to provide its financial planning services, which span, but are not limited to the following planning topics:

Financial life planning	Tax planning and coordination
Strategic cash flow management	Employee benefits selection
Credit and debt optimization	Education planning
Investment management and portfolio construction	Retirement planning and optimization
Insurance and risk management	Estate and legacy planning

The financial planning process includes the following steps:

1. Establishing and defining the client-planner relationship
2. Gathering information necessary to fulfill the engagement
3. Analyzing and evaluating the client's current financial status
4. Developing financial planning recommendations
5. Communicating the financial planning recommendations
6. Implementing the financial planning recommendations
7. Monitoring the financial planning recommendations

The extent of services, both regarding planning topics covered and process steps performed, depends on the financial planning service(s) the client chooses. Available services are listed below.

B. Types of Advisory Services

Avant-Garde Wealth offers the following services:

ONGOING FINANCIAL PLANNING

The purpose of ongoing financial planning services is to provide clients with ongoing and personalized guidance to understand and take control of their finances. These services are provided on an ongoing basis and cover the following areas of financial planning as they pertain to the client's financial situation:

Financial life planning	Tax planning and coordination
Strategic cash flow management	Employee benefits selection
Credit and debt optimization	Education planning
Portfolio construction	Retirement planning and optimization
Insurance and risk management	Estate and legacy planning

*Portfolio construction of accounts not under management by Avant-Garde Wealth through an Investment Management Agreement.

The engagement includes developing, implementing, monitoring, and adjusting the personalized financial plan. Avant-Garde Wealth and clients work together to do so by monthly check-ins (via email, phone, or virtual meetings) and quarterly meetings.

HOURLY FINANCIAL PLANNING SERVICES

The purpose of hourly financial planning services is to guide clients requiring a narrowly focused financial plan, incidental advice, or abbreviated review sessions. These services are provided on a one-time or limited-scope basis.

INVESTMENT MANAGEMENT SERVICES

The purpose of investment management services is to provide continuous oversight and management of client investment portfolios.

Avant-Garde Wealth and clients create and agree to personalized Investment Policy Statements, outlining investment objectives, time horizon, liquidity needs, risk profile, investment philosophy, asset allocation, target portfolio, rebalancing strategy, tax management strategy, reporting procedures, and responsibilities (both for the client and financial planners). Clients receive a copy of the Investment Policy Statement. Avant-Garde Wealth uses the policies within the Investment Policy Statement to implement a target portfolio, on a discretionary basis, using specific securities it deems appropriate at the time. Adherence to the target portfolio will be monitored on an ongoing and regular basis. Investment policies and target portfolios will be reviewed regularly, on no less than an annual basis.

Investment management services are offered as a stand-alone service.

SERVICES LIMITED TO SPECIFIC TYPES OF INVESTMENTS

Avant-Garde Wealth limits its investment advice and/or money management to mutual funds, equities, bonds, fixed income, debt securities, ETFs, real estate, third party money managers, REITs, insurance products including annuities, private placements, government securities. Avant-Garde Wealth may use other securities as well to help diversify a portfolio when applicable.

FINANCIAL COACHING

The purpose of the Financial Coaching service is to help clients understand and take control of their finances focused on Financial Life Planning, Strategic Cash Flow Management, Credit and Debt Optimization, and Goal Planning. This is a 6-month service offering that is focused on understanding client's financial behaviors and building the habits necessary to take control of their financial lives.

The engagement begins with activities about money behaviors and life planning that will guide clients in defining their goals. We will then develop and present a financial plan focused on Financial Life Planning, Strategic Cash Flow Management, Credit and Debt Optimization, and Goal Planning. We will then have monthly meetings (ranging from 30 – 90 minutes) and bi-weekly check-ins (ranging from 15 – 30 minutes).

SEMINARS AND WEBINARS

The purpose of seminars and webinars is to provide current and prospective clients with general information and advice about financial planning topics. Avant-Garde Wealth will not provide individualized advice in seminars and webinars.

C. Client-Tailored Services and Client-Imposed Restrictions

Avant-Garde Wealth offers the same services to all clients. However, because each client has unique circumstances (such as investment objectives, risk profile, time horizon, liquidity needs, and tax situation), services are tailored specifically to each client. Avant-Garde Wealth will use the policies within the Investment Policy Statement to implement a target portfolio, on a discretionary basis, using specific securities it deems appropriate at the time. Clients may impose restrictions on investing in certain securities or types of securities. However, if the restrictions prevent Avant-Garde Wealth from properly servicing the client's account(s), or if the restrictions would require Avant-Garde Wealth to deviate from its standard suite of services, Avant-Garde Wealth reserves the right to end the relationship.

Adherence to the target portfolio will be monitored on an ongoing and regular basis. Investment policies and target portfolios will be reviewed regularly, on no less than an annual basis.

D. Wrap Fee Programs

Avant-Garde Wealth does not manage or place client assets into any proprietary wrap fee programs. Investment management services are provided directly by Avant-Garde Wealth.

E. Amounts Under Management

As of December 28th, 2020, Avant-Garde Wealth has \$383,000 in assets under management on a discretionary basis. Avant-Garde Wealth does not manage assets on a non-discretionary basis.

ITEM 5: FEES AND COMPENSATION

A. Fee Schedule

All clients sign an agreement that will detail services to be provided and the fees associated with those services prior to the beginning of any service(s).

ONGOING FINANCIAL PLANNING

The fee for Ongoing Financial Planning services is a fixed fee that consists of an upfront fee and an ongoing fee. The upfront fee covers the first three months of service. The ongoing monthly fee will begin in month four. Both the upfront and ongoing fees are based on complexity, which is determined on a case-by-case basis depending on the time, knowledge, and effort required to provide the service. Avant-Garde Wealth considers all aspects of a client's personal finances to

determine a fee, including but not limited to: financial goals, financial knowledge, types of income, money management, types and amount of debt, employee benefits options, investments not under management by Avant-Garde Wealth through an Investment Management Agreement, education planning, progress towards financial independence / retirement, and clarity and complexity of estate. The maximum upfront fee is \$15,000 and the maximum monthly fixed fee is \$1,250. Fees may be evaluated after the first year of service and when clients experience a significant change in financial circumstances.

The fee for the Ongoing Financial Planning Program is negotiable.

An example of how fees are calculated is included below and in the Financial Planning agreement. The example is for a client with complexity that warrants an upfront fee of \$2,500 and the monthly fee starting in month 4 and thereafter is \$315. The upfront fee will be paid upon signing the client agreement to cover the first three months of service with a monthly fee beginning in month 4 and thereafter.

HOURLY FINANCIAL PLANNING SERVICES

The fee for hourly financial planning services is \$100 per hour. Fees are negotiable.

An example of how fees are calculated is included below and in the Hourly Financial Planning Agreement. The example is for a client with a 6-hour engagement at \$100 per hour.

$$6 \text{ hours} \times \$100 / \text{hour fee} = \$600 \text{ total fee for engagement}$$

INVESTMENT MANAGEMENT SERVICES

The annual fee for Investment Management Services is based on a percentage of the client’s assets under management as outlined on the following tiered schedule:

ASSETS UNDER MANAGEMENT	ANNUAL FEE
\$0 - \$999,999.99	0.75%
\$1,000,000 - \$2,499,999.99	0.50%
\$2,500,000 - \$9,999,999.99	0.25%
\$10,000,000 and above	0.10%

Fees are based on the end-of-day client account balance as of the last day of the immediately previous quarter as seen below.

Fees are calculated by converting the annual fee in the table above to a quarterly fee (annual fee divided by the number of days in the year multiplied by the number of days in the quarter), applying the quarterly fee to the assets under management on the last day of the immediately previous quarter within each tier, and adding the quarterly fee per tier together for a total quarterly fee.

The below example shows the fee for an account with a balance of \$100,000 on the last day of a 90-day quarter.

ASSETS UNDER MANAGEMENT	ANNUAL FEE	QUARTERLY FEE (90 DAYS IN QUARTER)	ASSETS IN TIER	QUARTERLY FEE PER TIER
\$0 - \$999,999.99	0.75%	0.75% / 365 days in the year X 90 days in quarter = 0.1849%	\$100,000.00	0.1849% X \$100,000.00 = \$184.93
\$1,000,000 - \$2,499,999.99	0.50%	0.1233%	\$0.00	0.1233% X \$0.00 = \$0.00
\$2,500,000 - \$9,999,999.99	0.25%	0.0616%	\$0.00	0.0616% X \$0.00 = \$0.00
\$10,000,000 and above	0.10%	0.0247%	\$0.00	0.0247% X \$0.00 = \$0.00
Total Quarterly Fee for Investment Management Services				\$184.93

The total quarterly fee for this example is \$184.93.

FINANCIAL COACHING

The fee for Financial Coaching for an Individual is \$800 for month one and \$120 per month for months 2-6 of the 6-month engagement for a total cost of \$1,400. The fee for Financial Coaching for a Couple is \$1,000 for month one and \$160 per month for months 2-6 of the 6-month engagement for a total cost of \$1,800. Clients can choose to pay in full or monthly.

SEMINARS AND WEBINARS

Avant-Garde Wealth hosts seminars and webinars for prospective and current clients. The fee for these webinars \$50 per attendee per seminar or webinar.

Avant-Garde Wealth also collaborates with businesses and organizations to co-host seminars and webinars. The fee for these webinars depends on the number of attendees, as outlined on the following tiered schedule:

ATTENDEES	FEE / ATTENDEE
Up to 30	\$50
31 – 50	\$40
51 – 70	\$30
71 and above	Contact Us

B. Payment of Fees

Regardless of service, clients will receive an invoice for fees due. Payments are due within fifteen days of receipt of invoice.

ONGOING FINANCIAL PLANNING SERVICES

Fees are billed monthly or quarterly in advance.

An example of how monthly fees are paid monthly or quarterly is included below and in the Ongoing Financial Planning Agreement.

MONTHLY FEE	PAYMENT FREQUENCY	CALCULATION	FEE
\$100.00	Paid Quarterly	\$100.00 X 3	\$300.00
\$100.00	Paid Monthly	\$100.00 X 1	\$100.00

Clients can choose to have fees automatically withdrawn directly from their bank account(s) on a monthly or quarterly basis in advance. Clients who choose the monthly or quarterly option will have fees automatically deducted on the day of the month or quarter of their choice as stated in their Ongoing Financial Planning Agreements.

Clients can also choose to have fees automatically withdrawn directly from their investment account(s) on a quarterly basis in advance. Clients who choose this method will have fees automatically deducted within the first two weeks of the quarter.

Clients can choose to pay fees quarterly in advance by check. However, clients cannot choose to pay fees monthly in advance by check. Clients who choose this method will have fees invoiced and billed directly to them with payments due by the 15th of the quarter.

HOURLY FINANCIAL PLANNING SERVICES

Hourly Financial Planning engagements are billed in two parts. Half of the fee will be paid at the beginning of the engagement and the other half of the fee will be paid at the end of the engagement. The fee to be paid at the beginning of the engagement accounts for half of the estimated total fee. The fee to be paid at the end of the engagement accounts for the remaining balance due, which may be equal to, less than or greater than the originally estimated amount.

The client will receive a disclosure noting the amount of fees to be paid and the number of hours covered by the fees at the beginning of the engagement. The client will also receive a disclosure noting the amount of fees paid and number of hours covered by the fees at the end of the engagement. In the event the number of hours is less than the estimated amount billed, the client will be issued a refund equal to the difference between estimated and actual hours required by the engagement. In the event the number of hours is more than the estimated amount billed, Avant-Garde Wealth and the client will renegotiate the agreement to reflect the number of hours the firm will perform, and the new agreement will be signed by the client and Avant-Garde Wealth. No amendment to the fee specified in the contract will be effective without the client's written consent.

Clients can choose to have fees withdrawn directly from their bank account(s). Clients can also choose to pay fees via check. Avant-Garde Wealth will have fees invoiced and billed directly to the client with payments due within fifteen days from receipt of the invoice.

INVESTMENT MANAGEMENT SERVICES

Fees are billed quarterly in advance. Clients can choose to have fees withdrawn directly from their investment account(s). Clients can also choose to have fees withdrawn from their bank account(s).

Avant-Garde Wealth must: (A) possess written authorization from the client to deduct advisory fees from an account; (B) send the qualified custodian written notice of the amount of the fee to be deducted from the client's account; (C) send the client a written invoice itemizing the fee, including any formulae used to calculate the fee, the time period covered by the fee and the amount of assets under management on which the fee was based.

See Item 5, Section A for examples of how fees are calculated.

FINANCIAL COACHING

Financial Coaching engagements can be billed in one of two ways. Clients can choose to pay in full or monthly.

Clients who choose to pay in full can have fees withdrawn directly from their bank account(s) or pay via check. Avant-Garde Wealth will have fees invoiced and billed directly to the client with payments due within fifteen days from receipt of the invoice.

Clients who choose to pay monthly will have fees withdrawn directly from their bank account(s).

SEMINARS AND WEBINARS

Fees for seminars and webinars hosted by Avant-Garde Wealth are paid upon registration, via debit or credit card on the website.

Fees for seminars and webinars co-hosted by Avant-Garde Wealth and a business or organization are paid in advance via check.

PAYMENT OF FEES FROM CLIENT BANK ACCOUNTS

Avant-Garde Wealth uses AdvicePay to withdraw fees from client bank accounts. It does not maintain client bank account information.

C. Clients Are Responsible for Third Party Fees

Clients may incur certain fees or charges if imposed by third parties, other than Avant-Garde Wealth, in connection with investments made on behalf of the client's account(s). The client is responsible for all custodial and securities execution fees charged by the custodian. There are no custodial fees for Charles Schwab. The securities execution fees for Charles Schwab vary. The fees charged by Avant-Garde Wealth are separate and distinct from these custodian and execution fees.

D. Prepayment of Fees

If Avant-Garde Wealth collects a client fee in advance, in order to receive any refund, clients must provide Avant-Garde Wealth with a 30-day notice prior to terminating the relationship. The client will be refunded all unearned fees. For Ongoing Financial Planning in the first three of months of the engagement, the refund amount will be the pro-rata amount based on the services not performed at the time the notice was received. For Ongoing Financial Planning clients in months 4 and thereafter, the refund amount will be the pro-rata amount based on the day in which the notice was received. For Hourly Financial Planning clients, the refund amount will be the pro-rata amount based on the services not performed at the time in which the notice was received. Investment Management clients will receive a refund amount equal to pro-rata amount based on the day in which the notice was received. For Financial Coaching clients, the refund amount will be the pro-rata amount based on the day in which the notice was received. Refunds will be made via deposit back into the client's investment or bank account or via check. Clients may terminate their contracts without penalty within five business days of signing the advisory contract.

E. Outside Compensation for the Sale of Securities to Clients

Jacklyn Brooke Cassady is a licensed insurance agent in the state of Kentucky. She may receive compensation from the sale of insurance and investment products through her insurance business. This is a conflict of interest because Mrs. Cassady is incentivized to recommend insurance and investment products through her insurance business based on the compensation received rather than on the clients' needs. Avant-Garde Wealth, and its representatives, always act in the best interest of the clients, including during the sale of commissionable products. When

Mrs. Cassidy recommends insurance and investment products through her insurance business to clients, she informs clients of her conflict of interest and commission on the recommended products and comparable products. Clients can purchase Mrs. Cassidy's recommended insurance and investment products through her insurance business or unaffiliated brokers or agents.

ITEM 6: PERFORMANCE-BASED FEES AND SIDE-BY-SIDE MANAGEMENT

Avant-Garde Wealth does not charge performance-based fees. The fees charged by Avant-Garde Wealth are described in "Item 5 – Fees and Compensation" above and are not based upon a share of capital gains or capital appreciation of assets held by any client.

Avant-Garde Wealth does not manage any proprietary investment funds or limited partnerships and has no financial incentive to recommend any particular investment options for its clients.

ITEM 7: TYPES OF CLIENTS

Avant-Garde Wealth advises individuals and business entities of various income and net worth levels. It does not actively seek any given client type. Avant-Garde Wealth does not require a minimum net worth, account/portfolio size, or income. However, it does require minimum annual fees for ongoing financial planning services as disclosed in Item 5 – Fees and Compensation. The maximum upfront fee is \$15,000 and the maximum monthly fixed fee is \$1,250.

Avant-Garde Wealth reserves the right to waive or reduce fees and decline services to any prospective client for non-discriminatory reasons.

ITEM 8: METHODS OF ANALYSIS, INVESTMENT STRATEGIES, AND RISK OF LOSS

A. Methods of Analysis and Investment Strategies

Avant-Garde Wealth constructs client portfolios using analysis techniques that are based on rigorous academic research, centering around long-term investment strategies primarily utilizing index mutual funds and exchange-traded funds, striving to maximize returns and minimize costs and taxes whenever possible. Investment allocations are created with the client's goals, stage of life, and risk tolerance in mind.

Investing in securities involves risk of loss that clients should be prepared to bear.

B. Material Risks Involved

The vast majority of recommended investments will be exchange-traded funds, mutual funds, and index funds where client assets will be exposed to the risk of loss posed by market risk (possibility of an investor losing up to full account balance based on factors that affect the overall performance of participating market conditions), interest rate risk (bond prices will fluctuate with interest rate fluctuation), political risk (investment returns are susceptible to loss based on the political climate of a country) and inflation risk (purchasing power decreases over time due to increase in inflation).

In the case of exchange-traded funds, mutual funds, and index funds, clients should never assume any guarantee of performance and may lose principal.

Avant-Garde Wealth may also occasionally recommend the use of insurance products such as fixed or indexed annuities when appropriate. Fixed and indexed annuities, may suffer from loss of purchasing power due to inflation and while the principal may be guaranteed against loss of principal, those guarantees are only as good as the financial strength of the underlying insurance company and contain no federal guarantees.

While Avant-Garde Wealth does not intend to market or recommend new investments in non-traded Real Estate Investment Trusts (REITs) and other non-liquid commissionable investments, a client may seek advice on existing holdings. These particular investments carry unique risks including, but not limited to, significant liquidity risk, already detailed in the original sales material presented to the clients at purchase.

Avant-Garde Wealth employs investment strategies that seek to avoid unnecessary or unusual risks.

Please note that the above discussion is not exhaustive in its description of potential risks to investors. More detail regarding risks potentially facing a client will be described to them in documents such as their Investment Policy Statement. Past performance is not a guarantee of future returns. Investing in securities involves risk of loss that clients should be prepared to bear.

ITEM 9: DISCIPLINARY INFORMATION

Avant-Garde Wealth is required to disclose all material facts regarding any legal or disciplinary events that would be material to a prospective or current client's evaluation of Avant-Garde Wealth or the integrity of its management. As of the date of this Disclosure Brochure, there is no information applicable to this item.

D. Selection of Other Advisors or Managers and How This Adviser is Compensated for Those Selections

Avant-Garde Wealth does not receive direct compensation for utilizing or recommending advisors or third-party managers.

ITEM 11: CODE OF ETHICS, PARTICIPATION OR INTEREST IN CLIENT TRANSACTIONS AND PERSONAL TRADING

A. Code of Ethics

Avant-Garde Wealth has adopted a code of ethics for all members of the firm that describes its high standard of business conduct and fiduciary duty to clients. The code of ethics covers the following: prohibited purchases and sales, insider trading, personal securities transactions, exempted transactions, prohibited activities, conflicts of interest, gifts and entertainment, confidentiality, service on a board of directors, compliance procedures, compliance with laws and regulations, procedures and reporting, certification of compliance, reporting violations, compliance officer duties, training and education, recordkeeping, annual review, and sanctions. B. Investing Personal Money in the Same Securities as Clients

Representatives of Avant-Garde Wealth may buy or sell securities for themselves that they also recommend to clients. Doing so presents a potential conflict of interest. However, as fiduciaries, representatives always act in the best interest of clients, placing the representatives' interests second. Representatives document transactions that could be construed as conflicts of interest.

C. Trading Securities At / Around the Same Time as Clients' Securities

Representatives of Avant-Garde Wealth may buy or sell securities for themselves at or around the same time as clients. Doing so presents a potential conflict of interest. However, as fiduciaries, representatives always act in the best interest of clients, placing the representatives' interests second. Representatives document transactions that could be construed as conflicts of interest.

ITEM 12: BROKERAGE PRACTICES

A. Factors Used to Select Custodians and/or Broker/Dealers

Avant-Garde Wealth seeks to recommend a custodian who will hold client assets and execute transactions on terms that are, overall, most advantageous when compared to other available providers and their services. Avant-Garde Wealth considers a wide range of factors, including, among others:

- Combination of transaction execution services and asset custody services
- Capability to execute, clear, and settle trades (buy and sell securities for your account)
- Capability to facilitate transfers and payments to and from accounts (wire transfers, check requests, bill payment, etc.)
- Breadth of available investment products (stocks, bonds, mutual funds, exchange-traded funds (ETFs), etc.)
- Quality of services

- Competitiveness of the price of those services (commission rates, margin interest rates, other fees, etc.) and willingness to negotiate the prices
- Reputation, financial strength, and stability

Based on the factors above, Avant-Garde Wealth requires clients to use Charles Schwab Institutional as custodian.

RESEARCH AND OTHER SOFT-DOLLAR BENEFITS

Avant-Garde Wealth does not receive research, products, or services other than execution from a broker-dealer or a third party in connection with client securities transactions (“soft dollar benefits”).

BROKERAGE FOR CLIENT REFERRALS

Avant-Garde Wealth does not receive referrals from a broker-dealer or a third party in exchange for using that broker-dealer or third party.

CLIENTS DIRECTING WHICH BROKER/DEALER/CUSTODIAN TO USE

Avant-Garde Wealth does not allow clients to direct it to execute transactions through a specified custodian (or broker-dealer). Clients are required to use Avant-Garde Wealth’s recommended custodian: Charles Schwab. Not all advisers require their clients to use a specific custodian. By requiring clients to use Avant-Garde Wealth’s recommended custodian, Avant-Garde Wealth may be unable to achieve the most favorable execution of client transactions, which may cost the client more money over using a custodian with lower costs.

B. Aggregating (Block) Trading for Multiple Client Accounts

Avant-Garde Wealth maintains the ability to aggregate the purchase or sale of securities for various client accounts (block trade), but will rarely do so. While block trading may benefit clients, Avant-Garde Wealth does not believe that clients are at a disadvantage due to the best execution practices of the custodian.

ITEM 13: REVIEWS OF ACCOUNTS

A. Frequency and Nature of Periodic Reviews and Who Makes Those Reviews

Avant-Garde Wealth advisers, Jacklyn Brooke Cassady and Sabina Smailhodzic Lewis, monitor client accounts regularly, on no less than an annual basis, for adherence to each client’s Investment Policy Statement.

Avant-Garde Wealth advisers, Jacklyn Brooke Cassady and Sabina Smailhodzic Lewis, monitor client financial plans regularly, on no less than an annual basis, for adherence to each client’s scope of engagement with Avant-Garde Wealth.

B. Factors That Will Trigger a Non-Periodic Review of Client Accounts

Account reviews may be triggered by material market, economic, or political events, or by known changes in the client’s financial situation, and or large deposits or withdrawals to the client’s account(s). Avant-Garde Wealth encourages the client to notify it of changes in his / her personal financial situation that may affect his / her investment plan.
