FOR KAIROS STAFF

The following questions help us as a staff place you in a host home. In placing you in a host home, we really want to make it the best fit that we can. However, we CANNOT GUARANTEE that you will be placed with your "ideal" home. Please comment on the following questions. Thanks!

Are you more introverted or extroverted? Do people energize you, or do you need significant alone time to recharge?

Do you enjoy kids?

Would you prefer a host home that wanted to hang out a lot or one that would give you a lot of space?

If you had the opportunity to live with a family or a single adult, what would you prefer?

In your current family environment at home, do you hang out a lot with your family, or does everyone do their own thing? Does your family sit down for meals together?
