## BOOKING YOUR RETURN FLIGHT HOME

It will take approximately 1½ - 2 hours from when your international flight arrives until you will get through Customs. We suggest you leave at least 3 hours to get through Customs, catch the tram to the domestic terminals, and check-in for your flight.

If you are unable to get a flight out and need to stay overnight in Chicago, Royal Servants is holding space at a local hotel for participants. You can book a room through us for \$90.00. You will be responsible for your own meals during this time. Email [royalservants@reignministries.org](mailto:royalservants@reignministries.org) for a hotel request form.

### Midway Airport:

Royal Servants does not have the ability to offer transportation at the end of the trip to Midway Airport. Unfortunately, there is no longer a shuttle bus option between the two airports. We do not recommend using Midway Airport for return flights. If you choose to fly home from Midway, you will be responsible to arrange your own private transportation.
