

MENTORING 1-2-3

Part of your summer trip is finding and meeting with a mentor from home. Mentors are an incredible, supportive relationship that helps bridge what God is doing in your life from home to overseas and back home. This helps to ensure that this trip is more than just a good experience for the summer, but instead, it leads to long lasting, sustainable growth in your own discipleship.

Start by praying about someone in your life who you would like to mentor you, and then ask them if they would be interested. Once you have someone ready to mentor you, share the below outline of the 3-Phase Process.

Your mentor will sign-up by going to the website at the link below (due to program agreements, you won't be able to sign up for them). They will then receive periodic emails with more details about each step.
