

# Maintenance & Repair Lead Field Service Foreman

Dayton, Ohio

## Description:

OMNI Cart Services, Inc. has been in business for over 38 years and we are still growing. We clean, inspect and repair shopping carts and backroom equipment for supermarkets and other stores. We are known for our quality work and excellent customer service and are looking for people to join our team who thrive in an environment that maintains high standards.

We travel to the locations we service in a company truck equipped with an inventory of parts and tools needed to perform the job. Our workday usually begins at 5:00 am. Our average workweek is 50 hours, including travel time. We do not normally work weekends.

The job is done outdoors and requires the minimum physical requirements listed below. Repairs include: straightening frames, inspecting and replacing wheels and other parts, and MIG welding (we will train). Cleaning is done with a pressure washing system.

Approximately two weeks of overnight travel per month is required for this position, Monday-Friday, you will be home on weekends! All travel is in the company van, expenses are paid and a meal stipend is provided for each hotel night.

## Wage Information:

Starting hourly pay is \$15.00 to \$17.00 per hour, plus a Foreman can earn a generous quarterly bonus, based on productivity and customer feedback. With the bonus, hourly pay and overtime, the average starting salary can range between \$53,000 and \$59,000 per year.
