

4<sup>th</sup> March 2021

To whom it may concern

I am writing to you with regards to the Justice for Myanmar (JFM) list of companies that require targeted sanctions.

Within the updated list and amendments of additions to significant business associate of the Myanmar military, made on March 2, 2021 there was an addition of Kanbawaza Office Complex Limited, listed as No. 13 on the list. Novartis Pharma Services Inc. was referenced as a tenant of the KBZ subsidiary in the same list.

I will like to highlight that Novartis Pharma Services Inc registered address business address and operations address is in Junction City. This information is available on DICA. (Link:

I would therefore be grateful if you would remove the association of Novartis Pharmaceuticals from your list of the military's 'Significant Business Associates'.
