Also Present: Laura Long, Library Director, Jane Dederling, HGA, and Lyssa Olker, HGA

Introduction of Visitors: None

Minutes: Approval of the Minutes of the April 30th Meeting. Motion made by Thompson, Second by Hanson. Motion carried by voice vote.

Old Business: None

New Business:

The Committee discussed the feedback that was received from staff regarding the plans to date. The major change was the move of the Young Adult area from the front of the building to the back vault. It was decided to do so to save money by not having to cut new doorways into the vault, and it will also provide the Young Adults with their own “space”. Also discussed was the expansion of the Adult Non-Fiction space in the lower level, and movement of the computer lab closer to the service desk on the second level.

A number of options were discussed for enclosure for smoke, and it was decided to leave the building mostly “as-is”, keeping the second level as enclosed. It was also decided to reduce the size of the restrooms to comply with code minimums and allow more space on the first floor.

A discussion was held regarding what to do with spiral stair. The architects stated that they are exploring several options, and they will have some ideas for us to talk about at the next meeting.

A discussion was held regarding the safe deposit box fronts. The architect suggested we could do a wall installation with them. Director Long asked if it would be possible to etch them and use them as a donor wall. It was decided to look into salvaging them to make this an option.

The meeting adjourned at 3:34 pm.

Respectfully submitted,

Laura Long, Recording Secretary
