EXPERIENCE

OPUS TV - FREELANCE ANIMATOR

March 2019 - Current

- Character Animator responsible for bringing life to illustrations for Phonics Museum, an app that teaches kids to speak. This position is remote, where I have to be self-directed, motivated, have strong organization, and time-management skills.

TRACK FIVE - DESIGN INTERN

June 2019 - August 2019

- Member of the marketing team providing creative strategies/ideas for design projects and designing motion graphics, print, and digital projects.
- Occasionally collaborated with product/executive teams to design, develop, and construct visually compelling graphics.
- Worked with the User Experience team to research and provide testing during a brand revamp to create user-centered designs. This internship required me to be a resourceful, creative thinker with strong attention to detail, and good communication skills.

LAB TECHNICIAN (STUDENT WORKER - MU)

April 2017 - September 2019

- Independently monitored Millersville University's Design lab.
- Operated both large and small scale printers.
- Search for solutions to the software related questions students and faculty asked.
- Upon request, feedback based on students' design work would be given.

THE WARE CENTER (DESIGN INTERN - MU)

April 2017 - September 2018

- Responsible for creating promotional materials such as brochures, banners, posters, postcards, ads, and social media posts within MU and arts design branding.
- Good sense of developing and creating layouts, as well as preparing final products for print.
- Received training for targeting audiences to create a better user experience.
