2 Ask

Talk about today's Big Point, **I Am Not A Mistake!** by asking the following question:

- **What do you like best about yourself?**

3 Do

Materials: None

Sometimes people feel like God made a mistake when creating them! They may feel unimportant, too tall, too skinny, and the list can go on! It's important to remember that our feelings are real, but they aren't always true. Let's play a game to help us recognize feelings verses truth! I am going to read a phrase, stand up if it's true, or sit down if it's just a feeling.

God made me. (Truth)
No one likes me. (Feeling)
God has a good plan for me. (Truth)
I don't matter. (Feeling)
Being popular is everything. (Feeling)

I can do good things for God today. (Truth)
You have to be rich be important. (Feeling)
I am greatly loved. (Truth)
Life is never going to get better. (Feeling)
I am valuable. (Truth)

Take a moment and discuss the following questions:

- **Are our feelings always true?** No.
- **Why do you think someone might feel like God made a mistake when creating them?** Maybe if things weren't going well for them; if he or she felt like they had no friends; if he or she kept messing up; if he or she didn't like how they looked
- **Does God ever make mistakes?** No.
- **How does it make you feel to know that God made you on purpose and that He really likes you?** Special, important, loved, I have a reason to be alive

GOD CREATED ME!

God created all of the things we see in our world. God made tall mountains, wavy oceans, and giant elephants. That last thing that God made was people. God created Adam.

God gave Adam a nice garden to live in with all the animals. Adam got to name the animals. The animals weren't afraid of Adam. He could even play with a lion, but none of the animals made the perfect friend for Adam.

God created someone like Adam who could think, talk, and be friends with God. Her name was Eve. She was the perfect friend for Adam. Some things Eve could do better than Adam, and some things Adam could do better than Eve. They lived together in God's beautiful garden. God created you, too, and I'm so glad He did!
