## 2 Ask

Talk about today's Big Point, **God Is The Creator!** by asking the following question:

- **What is the best thing you ever created?**

## 3 Do

**Materials:** None

Here is a fun game that will remind us of all the things God created! Gather at least 2 people and sit in a circle. Take turns saying something that God created! If a person is stumped and can't think of something, or if they repeat something that has already been said, they are out! Continue playing until you have a winner. (Older suggestion: To make the game more challenging, any pause will get you out of the game! So have your answer ready and respond as quickly as possible, because if you pause for even a second, you are out!)

## 4 Share

**Materials:** None

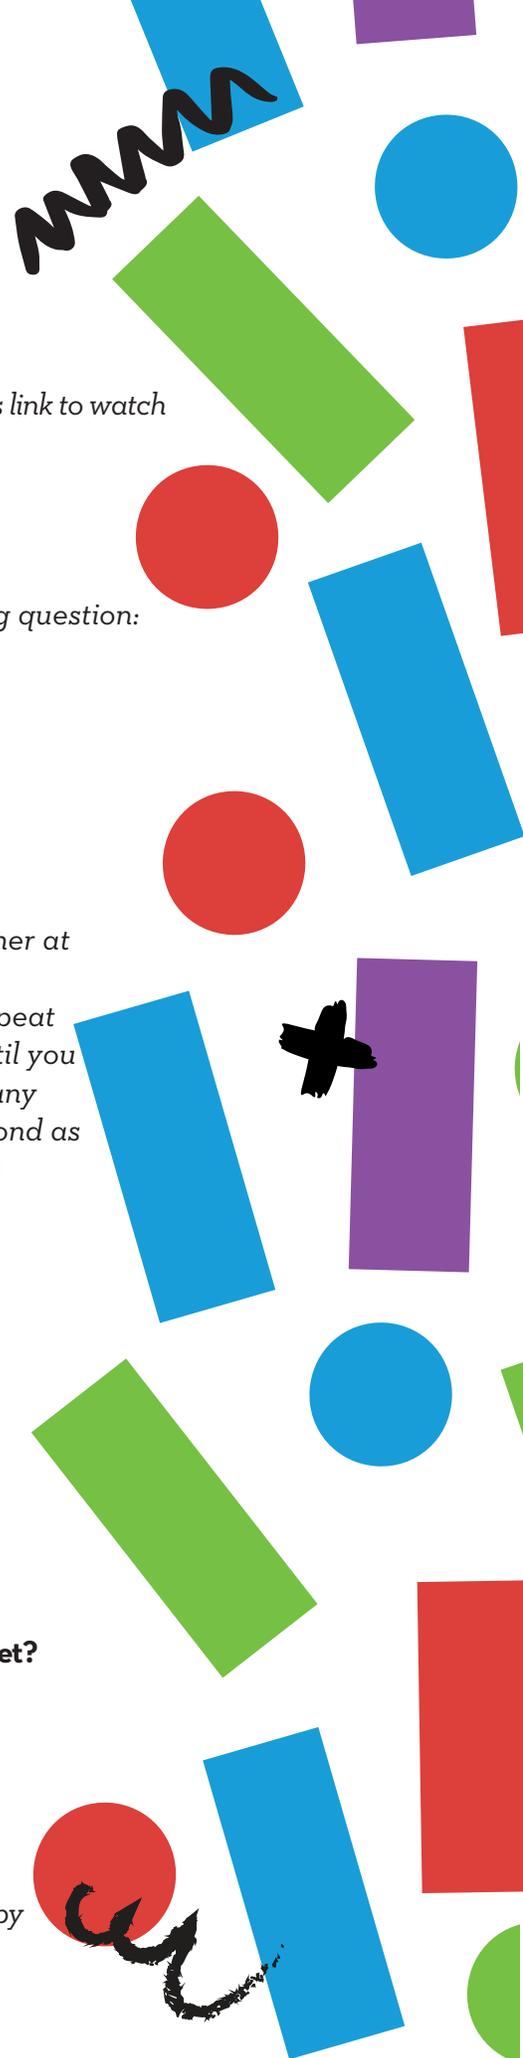

Take a moment and discuss the following questions:

- **What is one of your favorite things God created?**
- **Knowing God created the world and has a plan for me makes me feel...**
- **What would you say to someone who told you the earth is just a lucky planet?**

Take a moment to pray and thank God for being our Creator.
