## Interaction Designer

www.marcomonteiro.co.uk • hello@marcomonteiro.co.uk • +44 797 2753 660

**PROFILE** Experienced interaction designer with a passion for creating intuitive web-based interfaces that makes people's lives simple. Able to take ideas from concept to prototype, test and production. Big fan of collaborative design with the ability to balance user needs with business strategy. Advocate for component-driven design and development.

**EXPERIENCE** **Interaction Designer (contract) at Nationwide Building Society**

Jun 2018 - April 2020

- Designed an internal system from scratch to empower staff to deliver a better mortgage experience for customers over 55 years
- Worked collaboratively with a multi-disciplinary team, helping to design solutions useful for multiple user types
- Created deliverables through all stages of the project including research, ideation, prototyping and interaction design
- Worked directly with developers daily, assisting with HTML/CSS to ensure accurate design implementation
- Actively contributed to existing design system
- Brainstormed and recommended new approaches and solutions
- Conducted stakeholder reviews and presentations

**UI Designer (freelance) at cpartners**

Mar 2018 - May 2018

Client portal redesign for award winning medical insurance provider

**Product designer (full-time) at Product Spark**

Sep 2017 - Jan 2018

Front-end development and design of a cloud application created to help teams manage projects and tasks

**Interaction Designer (full-time) at Propagator Group**

Jun 2015 - Aug 2017

Front-end development and design of leading digital publishing platforms

**Front End Developer (freelance/contract)**

Jan 2010 - May 2015

Worked with multiple marketing agencies, creating websites from concept to production and coding emails for clients
