Anthony Caole, CEO:

Career Highlights

- 27 Years of experience working in cross-cultural environments serving the Native Alaskan, Native American, and Asian/Pacific Islander community
- Assisted tribes and municipalities throughout Alaska with securing in excess of \$40 million in state, federal and foundation program funding (grants) as well as construction funding (for roads, clinics, community facilities, and rural energy and sanitation projects)
- Managed a statewide federally funded Tribal Training and Technical Assistance Center supporting the *Administration for Native Americans* in Alaska and nationally
- Developed Grants Development Application used by the US Environmental Protection Agency
- 10 Years of Federal SBA 8(a) contracting experience with diverse federal agencies, including HHS (ANA, LIHEAP), DHS (USCG), and DoD (USACE, USAF, USN)
- Built a federal contracting business from 1 FTE and zero revenues to a peak of 50 FTE's working in the USA, Europe, and Asia and revenues of \$7 million, achieving debt-free status in 2019.
- Student in American Military University's Doctoral Program in Global Security, with a focus on non-traditional security/human security, CSR, ESG Frameworks and community/tribal engagement
