Dear General Reyes,

On behalf of our many members across the beautiful state of Utah, I am pleased to announce your NRA-PVF “A+” rating and endorsement for Attorney General in the 2020 Utah Primary Election. This rating and endorsement reflect your continued defense of the Second Amendment and our Right to Keep and Bear Arms.

Throughout your career, you’ve established a remarkable record of achievement. As Attorney General, you led the fight against oppressive gun bans and unwarranted restrictions. With notable courage, you marshalled state resources to promote responsible gun ownership, and advocated on behalf of Utah’s law-abiding gun owners. Your tireless dedication to freedom is unmatched by your competitors.

Our members appreciate your unapologetic defense of freedom. Your willingness to stand and fight on their behalf demonstrates that you know what we know: restricting freedom is no answer to violent crime. By empowering Utah’s law-abiding gun owners and supporting pro-gun policies like Constitutional Carry, you’ve done more than protect our rights today: your principled leadership honors Utah’s heritage, and will protect future generations to come.

There is no question about this: You understand that our right to self-defense is fundamental. Because the Second Amendment reflects the most cherished right of a free people, you will zealously guard it against infringements. Once re-elected Attorney General of Utah, we know you will continue your principled fight on behalf of Utah’s families, firearms, and freedom.

In anticipation of your continued leadership, we proudly join Utah’s law-abiding gun owners in standing alongside you.

Congratulations on your “A+” rating and endorsement, General Reyes. On behalf of our 5 million members, I thank you for your continued support of our Right to Keep and Bear Arms and wish you the best of luck in your campaign.

Yours in Freedom,

Daniel Reid
