

FIDUCIARY OATH

*We believe in placing our clients' best interests first. Therefore,
we commit to the following five fiduciary principles:*

We will always put our clients' best interests first.

We will act with prudence; that is, with the skill, care, diligence,
and good judgement of a professional.

We will not mislead clients, and will provide conspicuous, full
and and fair disclosure of all important facts.

We will avoid conflicts of interest.

We will fully disclose and fairly manage, in our clients' favor, any
unavoidable conflicts.
