Lesson 8 // LOVE GROWS

Video with- Julie Lester

Key Verse: Matthew 13:8 (NLT)

"Still other seeds fell on fertile soil, and they produced a crop that was thirty, sixty and even a hundred times as much as had been planted!"

Questions:

1. What areas do you believe the Lord wants you to grow in?

2. How has God been stretching you lately to reach beyond yourself to multiply love?

3. What has been holding you back, or what are you holding onto, that is keeping you from the "bigger and better" things God wants to do in you and through you?

Personal Application:

When we are out sowing seeds and multiplying love, we cannot forget about our First Love- or we will have lost much in exchange for a "plentiful harvest" with great numbers that wilts and sours easily.

Take time to GROW your love and passion for God through humble worship to Him!

- **Write down some praises to God** – Include specific attributes He has displayed to you in your life and through His creation.

- **Write down how God has grown you over the last year** – thank Him for providing the experience and being with you through it.
