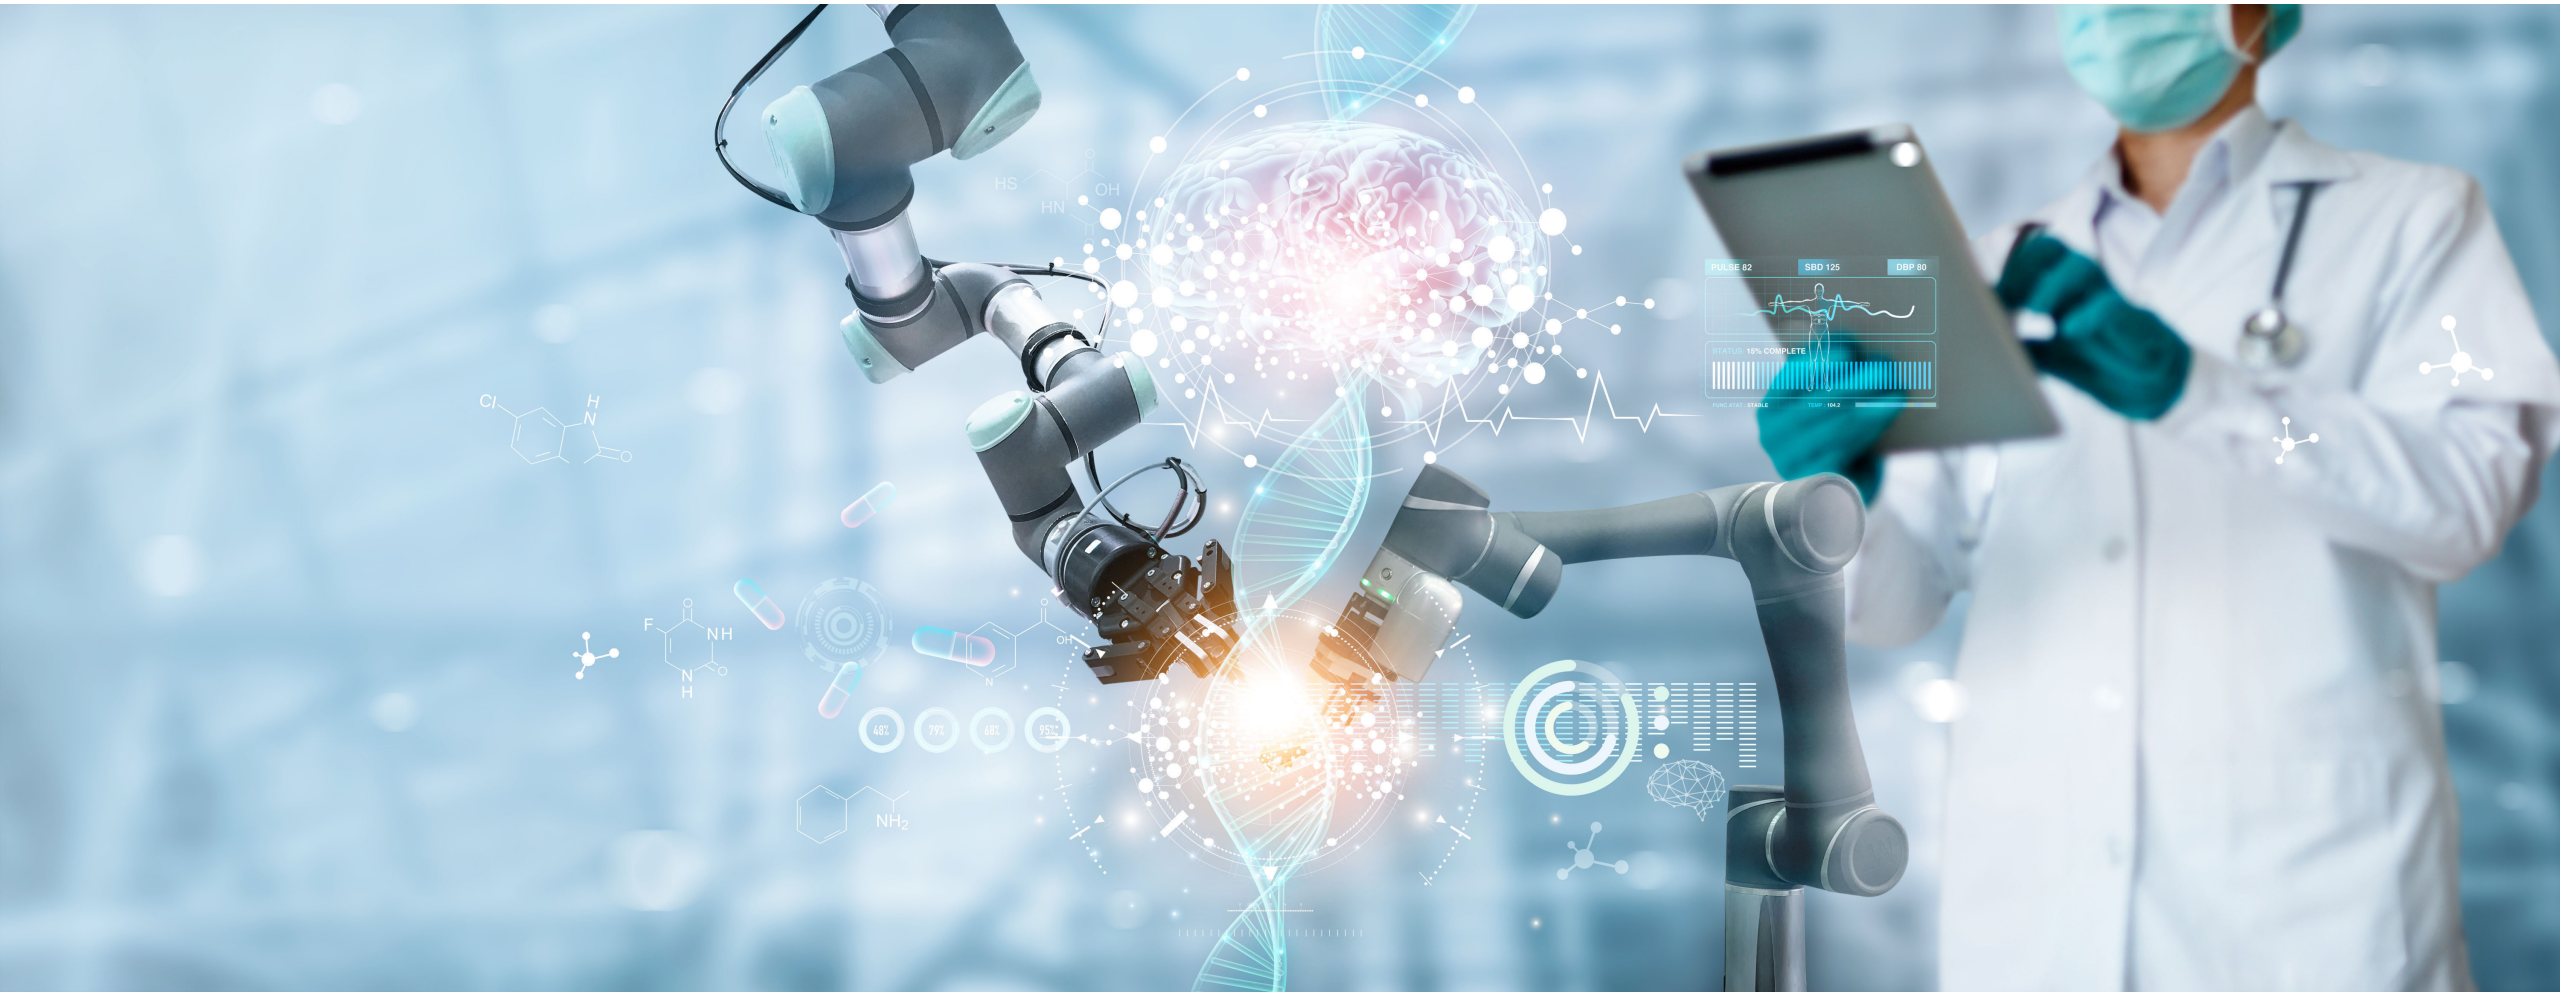
Xlife sciences

THE LEADING EUROPEAN LIFE SCIENCES INCUBATOR AND ACCELERATOR



Disclaimer

NOT FOR PUBLICATION, DISTRIBUTION OR RELEASE, DIRECTLY OR INDIRECTLY, INTO THE UNITED STATES OF AMERICA OR ANY OTHER JURISDICTION IN WHICH THE DISTRIBUTION WOULD BE UNLAWFUL

The presentation has been prepared by Xlife Sciences Ltd. ("Xlife", and together with its subsidiaries, the "Xlife Group") for information and background purposes only. This document is not, and should not be construed as, a prospectus or offering document, and has not been reviewed or approved by any regulatory or supervisory authority. The information does not constitute or form part of, and should not be construed as, an offer for sale or subscription of, or a solicitation or invitation of any offer to subscribe for or purchase any loans or securities of or make an investment in Xlife or any other member of the Xlife Group or any other entity in any jurisdiction, and nothing contained therein shall form the basis of, or be relied on in connection with, any contract or commitment whatsoever, in particular, it must not be used in making any investment decision.

No representation, warranty or undertaking, express or implied, is made by Xlife or any member of the Xlife Group or any of their respective affiliates or directors, officers, employees, agents or advisers ("Representatives") or any other person as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or the opinions contained therein or any other statement made or purported to be made in connection with Xlife, the Xlife Group or any member thereof, for any purpose whatsoever, including but not limited to any investment considerations. No responsibility, obligation or liability whatsoever, whether arising in tort, contract or otherwise, is or will be accepted by Xlife or any member of the Xlife Group or any of their respective Representatives or any other person for any loss, cost or damage howsoever arising from any use of the information, or for information or opinions or for any errors, omissions or misstatements contained therein or otherwise arising in connection therewith.

This presentation contains forward-looking statements, including but not limited to, projections of financial developments, market activities, future performance of products and solutions or planned transactions, which involve risks and uncertainties and are based on certain assumptions. These forward-looking statements are subject to change based on known or unknown risks and various other factors, which could cause the actual results, performance or events to differ materially from the statements made herein. If any of these risks and uncertainties materializes or if the assumptions underlying any of Xlife's forward-looking statements prove to be incorrect, the actual results may be materially different from those Xlife expresses or implies by such statements. Xlife does not intend or assume any obligation to update these forward-looking statements since they are based solely on the circumstances at the date of their publication.

The securities mentioned herein will not be registered under the United States Securities Act of 1933, as amended (the "Act"), and such securities may not be offered or sold in the United States of America absent registration or an applicable exemption from registration requirements under the Act. This presentation is not a prospectus for the purposes of Regulation (EU) 2017/1129 (as amended) and Regulation (EU) 2017/1129 as it forms part of domestic law pursuant to the European Union (Withdrawal) Act 2018.
