Row Eleven

Russian River Valley Pinot Noir 2020

100% Pinot Noir • 100% Russian River

Winemaking

Our grapes are sourced from the Green Valley, the coolest climate in the Russian River AVA. The must is cold soaked for five days prior to fermentation. After fermentation the wine undergoes malolactic fermentation followed by 6 months in New French Oak.

Clones

100% Dijon Clone.

pH: 3.4
TA: .6
Alc: 14.1
Brix at harvest: 25

Tasting Notes

The wine has a deep red translucent appearance and aromas of ripe juicy cherry with touches of violets and briar. Silky tannins and supple texture support the cherry and red berry flavors with a light vanilla finish; juicy acidity and a long finish.

Our History

Forty years of winemaking experience, California's finest quality vineyards, and a commitment to the belief that wines should be priced to be enjoyed. Our Russian River Pinot Noirs have received multiple gold medals and 90 plus scores over multiple vintages.
