

# How to use your face mask

---

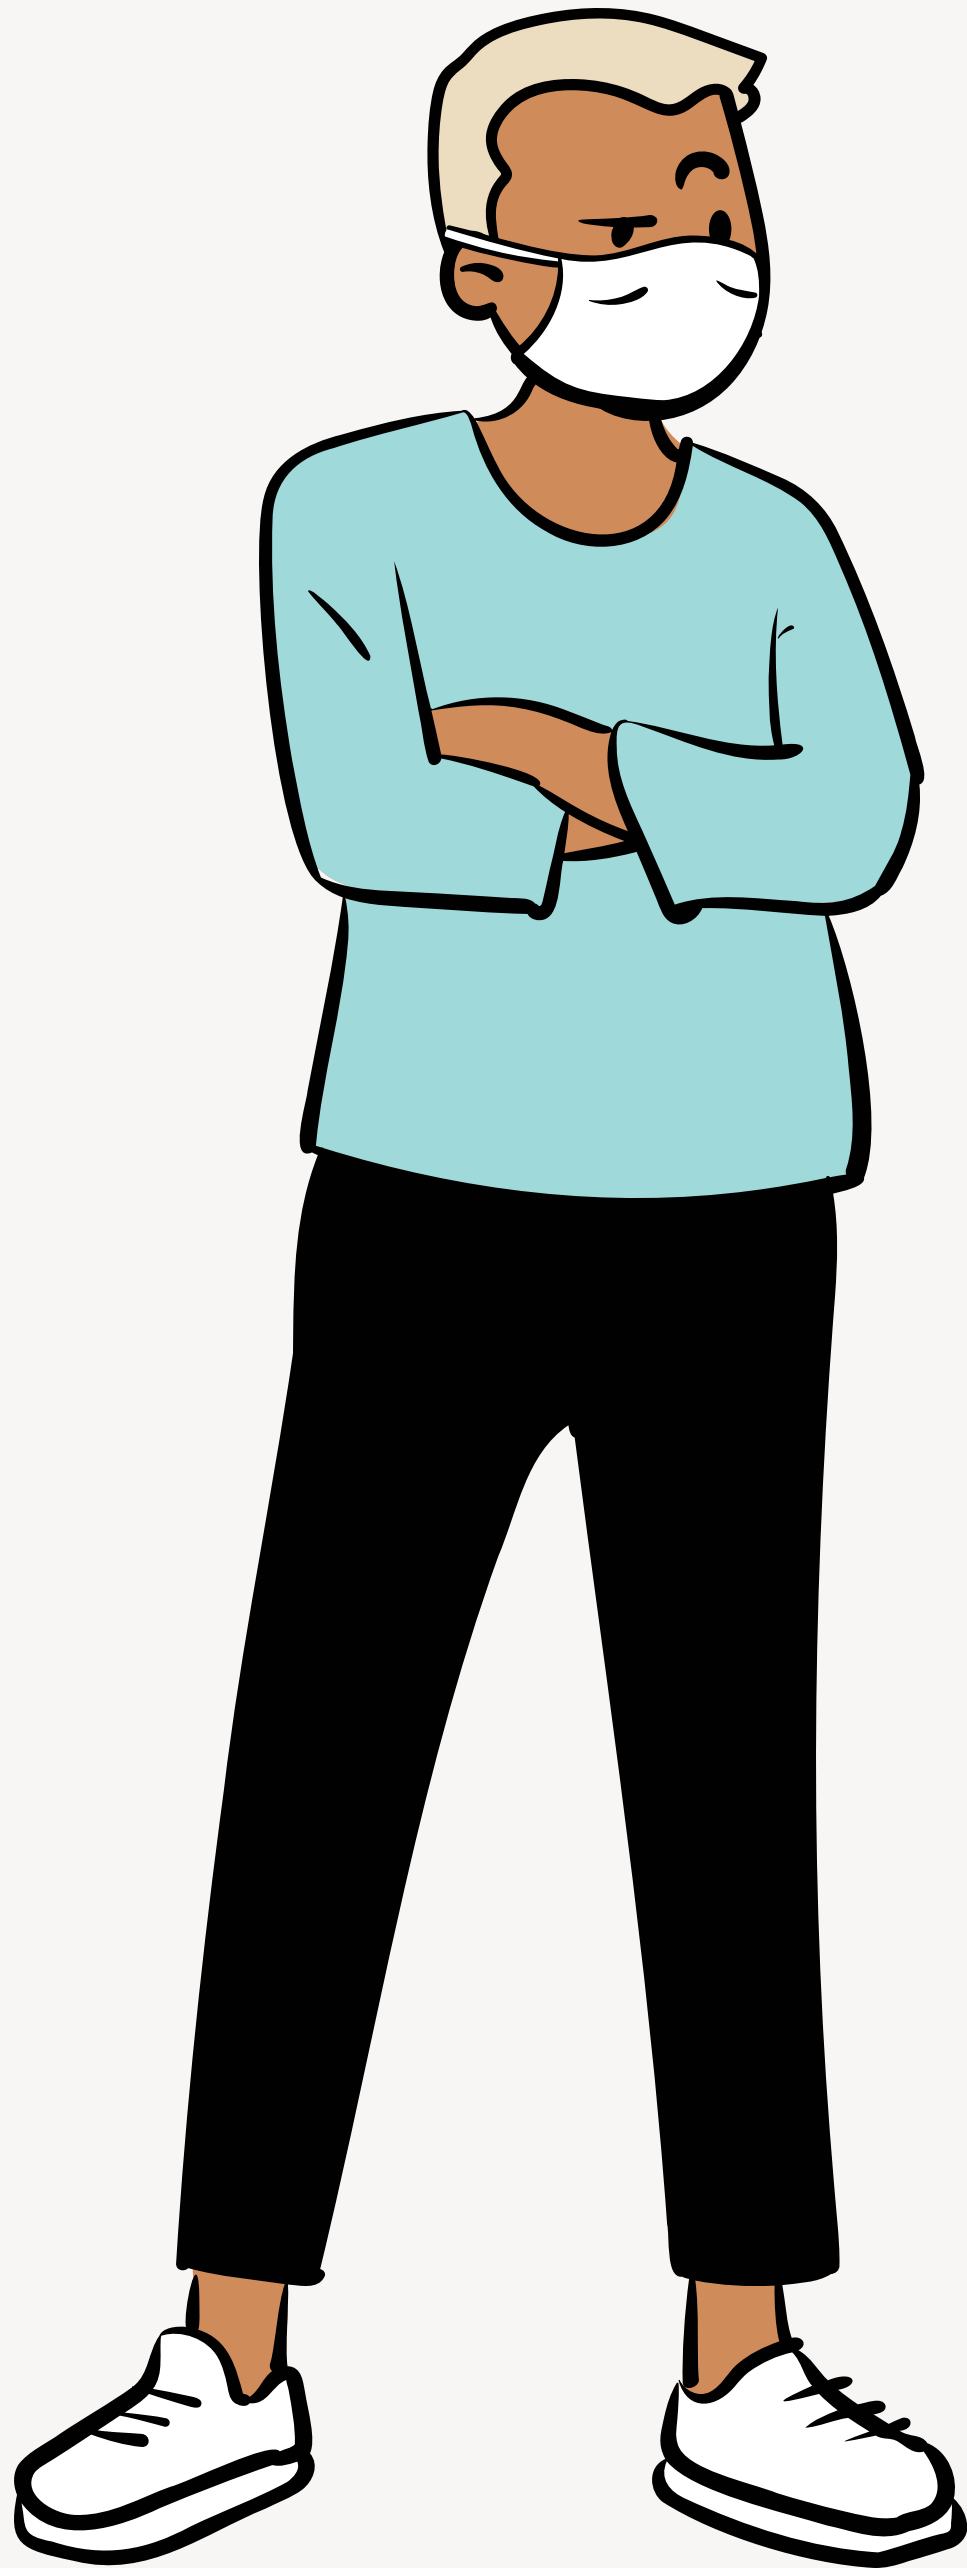

Ensure there are no  
gaps between the  
mask and your  
mouth and nose

Never reverse  
the mask for  
reuse.

Always keep the same side  
against your face

Don't touch  
the mask  
with your  
hands while  
it is on your  
face

Remove without  
touching the  
inside of the  
mask

and wash your hands  
thoroughly afterward

Do not share your  
mask with anyone

Always wash  
your mask  
thoroughly after  
use
