## **2021 TUITION AND BOARDING FEES**

A proposed tuition and boarding fee structure was presented at the 4<sup>th</sup> Quarterly Board of Governors meeting held on 5 November 2020. The proposal for the Pre-school, Prep School and boarding was based on the projected financial operational requirements for 2021 and is aligned with the national inflation rate. It is important to note the fees are calculated on the projected enrolment figures for 2021. The College fees are at a greatly reduced rate due to the new model. The below 2021 tuition and boarding fees were approved and adopted by the SCS Board of Governors.
