Foot reflexology massage 🌸🌸🌸

Our foot reflexology technique communes with your body via the soles of your feet. It is an alternative form of soothing, supportive and preventive manual therapy. By manipulating certain reflex zones directly linked to specific parts of the body via a network of nerve endings, it helps to restore the body's natural equilibrium

Toning massage 🌸🌸🌸

Combining different classical Swedish techniques (cross friction, articular mobilization, tapotement, petrissage), this massage is for those who prefer stronger strokes. It relaxes muscles in depth while providing tonicity and vitality. It helps prevent muscle strain and bodily fatigue. It also eliminates toxins and stimulates blood circulation.

CORPORAL RITUALS

All our rituals consist in a skin cleansing and massage with sculpting methods. Our products come from organic farming, ECOCERT at 98%, and made in Alsace.

Damask plum body ritual 🌸🌸🌸

Sail to the Alsatian orchards while enjoying this massage with the scent of damsons and cinnamon. Aphrodisiac, energizing and rich in vitamins and minerals, you will benefit from this «made in Alsace» experience. Our scrub with organic brown sugar and our Alsatian massage will help regain a silken and nourished skin, providing an unequalled experience of relaxation for body and mind.

French tea body ritual 🌿🌿🌿

Cocktail of essential oils «sage and rosemary». This care is famous for its properties as an antioxidant, toning and endocrine regulator. It is recommended to soothe muscular tensions and relax the mind. Our brown and bio sugar scrub, along with our deep draining massage, will bring you to regain a silky and hydrated skin, and a most appreciated physical relaxation. Ideal for people suffering from stress and for sportsmen. (*Contraindicated for pregnant women*).

PÊCHE DE VIGNE

HÔTEL & SPA

CB

The Camille Becht range was created with the desire to combine the practice of skincare with products native to the founder's home region. Each product is made from natural active ingredients and essences whose benefits have been known for centuries. This attachment to regional traditions makes it possible to follow the (strict) ECOCERT legislation. The entire product line is: organic, effective, and safe, in harmony with tradition and modernity.

Phytodia

The plant experts at Phytodia Laboratories specialize in the research and development of plant-based extracts. Thus, Natural active ingredients are incorporated in our organic and effective cosmetic products. Containing plant extracts from the Vosges and Alsace.

- *Our Spa practitioners are trained and certified by the Camille Becht training center.*
- *Specified durations of services correspond to the effective duration of our cares and massages.*
- *We advise our male guests to avoid shaving right before your appointment, as this may cause acute skin sensitivity and discomfort during your care*

Reservation: As soon as possible, without guarantee. Depending on the company's availability.

Annulation: Free of charge cancellation till 4 hours before the beginning of the reserved care. Any withdrawal or cancellation within 4 hours before the beginning of the care, this one will be automatically and entirely charged.

The term massage does not correspond to the legal definition given by the regulatory provision of Article R.4321-3 of the Public Health Code (Decree No 2004-802 of July 29th 2004 – JO of August 8th 2004) which states that medical, sports, or therapeutic massages can only be performed by doctors or physiotherapists.
