INT. COLLEGE RESIDENCE HALL - NIGHT

A party takes up the entire building. SAM and SARA walk their way through a tightly packed hall.

Sam chugs his beer and Sara follows him with a lit joint.

Sam opens a door in the hallway to reveal an orgy- he closes the door and looks back at Sara.

SARA

It's the next one.

He goes and opens the next door. Aha, he recognizes this room.

Sara follows him in and shuts the door behind her.

INT. COLLEGE DORM ROOM - CONTINUOUS

Someone hands Sam a drink when he enters and he takes it without even thinking.

SAM

(to Sara)

Want some?

Sara shakes her head in a bit of disgust.

Sam acknowledges her look but swigs it down anyways.

SARA

I think my body's had enough these past couple nights,

Sam looks around the room for someone.

SARA (CONT'D)

wouldn't you agree?

SAM

Yeah. Not really.

He spots his guy and leaves Sara behind to go talk.

Sam reaches MIGUEL, a hot latin man that looks just a couple years too old for college.

MIGUEL

'sup.

They fist bump. Miguel has a couple other guys around him, one, FORD, who's probably the most sober of them all.

SAM

You on duty tonight?

FORD

Fuck no, I thought you were,  
seein' the way you popped yo' head  
in like that.

SAM

I am in no fuckin' condition to be  
on the job right now.

Sam's a little jumpy, actually.

FORD

Yeah.

He inspects Sam's face a little closer.

FORD (CONT'D)

Whatare you on?

SAM

Coke. Soda coke not coke coke. Not  
now.

Miguel interrupts.

MIGUEL

You fuckin' wanna be on this  
though, eh.

He unpockets & passes Sam a pack of gum.

SAM

There we go.

Sam gives Miguel a nod.

SAM (CONT'D)

I'll cashapp you, yeah?

MIGUEL

Yeah you got it man.

Miguel pulls out his phone to type something. Sam pockets the  
gum. Ford cocks his head at something in the corner of the  
room. Sam notices and looks to the corner of the room.

FORD

Didn't know you had a fish.

MIGUEL

Hell yeah man.

Sam notices.

SAM  
His tanks dirty.

MIGUEL  
You wan' it?

Sam spots Sara near the tank and goes over to it.

Sara's talking in Spanish about her family drama with her friend. She's holding an empty plastic cup.

Sam borrows the cup from her and pours the fish into it.

Sara and her friend notice.

SARA  
(disgusted)  
Are you going to drink that?

SAM  
Yeah, I'm gonna chug it.

And mimics like he's about to.

It gets a ruse out of Sara's friend.

Sam starts to head toward the door but realizes something and turns back toward Miguel.

SAM (CONT'D)  
Can I hop out this way actually?

He motions towards the window.

MIGUEL  
(nodding)  
That's my man.

Sam lifts the screen and slides out.

EXT. RESIDENCE HALL BUILDING - CONTINUOUS
