VITEX CEO DR ANISS CHAMI WELCOMES NSW DIPLOMATS AT VITEX PHARMACEUTICALS

SYDNEY, 18 October 2019 – Vitex Pharmaceuticals' CEO, Dr Aniss Chami had the pleasure of hosting over forty foreign diplomats based in NSW. The Western Sydney Investment Attraction Office, on behalf of the Department of Foreign Affairs and Trade, organised a visit to Western Sydney to showcase investment and trade opportunities in this rapidly expanding region.

Representing countries from around the world, the attending Consul-Generals and diplomats commenced their program by a visit to Vitex Pharmaceuticals – Australia's leading contract manufacturer of vitamins, minerals, and nutritional supplements. Dr Aniss Chami led the presentation on advanced manufacturing and the company's upcoming projects in the new Aerotropolis, followed by a tour of the Vitex manufacturing facility.

Having signed an agreement with the NSW Government in November 2018 for a state-of-the-art pharmaceutical training and research facility as part of the new Western Sydney Aerotropolis, Vitex Pharmaceuticals remains proud of its continuous growth and opportunities available within the Western Sydney Region.
