

# REGISTER OF MERIT APPLICATION

Please check all past show records to see if my POA qualifies for any of the Register of Merit Awards checked below. I have read the ROM rules in the current POAC Official Handbook. Register Of Merit Points do not need to be accumulated all in one year.

**For individual class ROMs** you must acquire 500 points for each individual class. **Longeline, JPFC and In Hand Trail ROM Point requirements are as follows:** You must acquire 250 points for each individual class awarded in classes designated as JPFC, Longeline and In Hand Trail, with 50 points being earned at Regional level or higher. **Youth ROM Requirements: 500 points** accumulated in horsemanship and equitation classes only.

**The processing fee for a ROM is \$10.** If you apply and your pony lacks points to complete the ROM requested you will receive an ROM status report stating how many points/grands/reserves the pony needs to complete his/her ROM. If you are interested in receiving the ponies lifetime points or yearly points a request form is available on our website or by request from the Home Office.

**Supreme Champion Plaques can be obtained for qualifying ponies for a fee of \$60 per plaque.**
