

2022 Select Sire Futurity Nomination

Official 2022 Select Sire Futurity Mare Nomination Form

MARE OWNERS:

If your mare is bred to one of the select sires, fill out the Mare Nomination form at the right and send it along with the \$40 nomination fee. If you purchased the breeding service through the Select Sire Stallion Service, or if you donated the service of one of the listed Select Sires, you are entitled to nominate your mare at half; therefore, you would send \$20 with your Mare Nomination Form. Any additional nominations from the same owner are \$20 each.

Mare Nominations must be postmarked by December 1, 2021 to make foals eligible to show in the 2022 Select Sire Futurity.

All stallion service fees, nomination feed and sustaining payments for mares and foals go into one pot. Except for sustaining fees and entry fees, which are based on the number in each class, the purse is split equally between the filly class and the colt class, regardless of the number of entries in each division.

Each purse is then divided, with 80 percent being paid to the owners of the top ten foals and 20 percent being paid to the owners of the sires of the top four foals.

For maximum fairness, a three-judge system will be used.
