2006 – 2010

## Electronic Communications Agreement

By signing below, You unconditionally agree:

- (a) Your participation in all forms of electronic communications between The Kagen Allergy Clinic, S.C. ("Clinic") and You are voluntary, including telephone calls, email communications, video office visits, text messages and/or any and all other forms of electronic communications known;
- (b) The Clinic's electronic communication services have been fully explained to You;
- (c) You understand fees may be charged to You for these electronic communications;
- (d) Electronic communication services may include delivery of new prescription medications and/or refills prior authorizations, appointment scheduling, patient education and other health-related services;
- (e) Clinic physicians, and its other caregivers, have the exclusive right to determine whether or not Your condition being discussed, diagnosed and/or treated is appropriate for such electronic encounters;
- (f) You fully understand that security measures employed during electronic communications, such as encryption of personal data, password protection and authentication techniques, include possible risks to privacy, and notwithstanding such measures, You accept such risks; and that now and forever;
- (g) You hold the Clinic, its employees, subcontractors, vendors and consultants completely harmless for any and all personal information lost or stolen for any reason whatsoever.
