## WHAT HE'S DOING -

Designing freelance via **TomYum**.  
Open to full-time design opportunities.

## EDUCATION -

### University of Waterloo

Sep. 2015 – Apr. 2020

Bachelor of Environmental Studies  
Minor in Computer Science  
Dean's Honours List (3.7/4.0 GPA)

## COMPETENCIES -

Figma	Sketch
Webflow	Photoshop
SQL	Illustrator
Excel	Premiere Pro
Python	Lightroom
JIRA	Photography
Zapier	Video Production

## PROJECTS -

### TechTO Website Redesign (TomYum Client Project)

Sep. 2020 – Oct. 2020

Worked collaboratively with the TechTO team from start to finish. Full website designed in Figma & built in Webflow using some custom CSS & JavaScript.

### Fivestars Android Redesign (Personal Project)

July 2020 – Aug. 2020

Created a more engaging loyalty program experience using app reviews and a personal analysis.

### Crunchyroll Homepage Redesign (Personal Project)

June 2020 – July 2020

Redesigned Crunchyroll's web homepage to better support a set of assumed business objectives.

### Shotty Rideshare App Design (Personal Project)

Jan. 2020 – May 2020

Designed a concept rideshare app for postsecondary students from scratch based on research.

## PAST ROLES -

### Wealthsimple - Brokerage Operations Associate

Jan. 2019 – Aug. 2019

### Taplytics - Digital Marketing Strategist

May 2018 – Aug. 2018

### Flipp - Data Quality Analyst

Sep. 2017 – Dec. 2017

### Ritual - Operations Coordinator

Jan. 2017 – July 2017
