★ SUMMARY: God Does Good (and loves good) Forever.		trust God and do good, love others (2 Pet. 1:5-7)

Theology text typically try to describe what God is like using adjectives rather than action verbs. God is gracious. God is all powerful. God is a trinity. etc. Sadly relatively little is said about what God does. Because of this, students of theology often have a difficult time applying the points to their lives. This list boldly connects theology and action.
