

Matthew 6:19-21

(how to be truly rich)

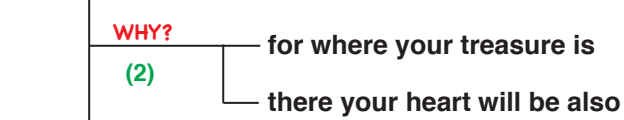

6:19

6:20

6:21

6:22-34

Notes

(1) The Lord's use of parallelism and a limited number of simple terms in verses 19 and 20 make his teaching easy to follow. Treasures on earth are easily lost, but treasures in heaven are not.

(2) In verse 21, however, the Lord makes a powerful additional point. We should focus on laying up treasure in heaven BECAUSE our hearts will thereby be where they should be, rather than distracted by earthly things.

(3) How to actually lay up treasure in heaven is the subject in 6:22-34. We do so through dedication, service, and trust in God.
