VINEYARD NOTES

This organically farmed vineyard faces southwest at a 200m elevation. Soils are comprised of vilafontes, a gravel derived from shale. Grafted in 2018 onto rootstock planted in 2009.

WINEMAKING NOTES

The grapes were hand harvested at 22° B, hand sorted, destemmed, crushed and gently pressed before being fermented in a concrete egg with native yeast.

TASTING NOTES

Intense aromatics of white peach and pink grapefruit follow through on the vibrant palate. Packed with zesty acidity, the wine refreshes with its juicy nectarine avors, backed by undercurrents of grapefruit pith, lemongrass and lime zest.
