VINEYARD NOTES

This organically farmed vineyard is situated in a northwest to southeast row orientation trellised in vertical shoot positioning. High density vineyard blocks of 5,600 vines per hectare with an altitude of 200 m. The soil is predominantly decomposed granite, with pockets of shale and sandstone. The vines were planted in 2010.

WINEMAKING NOTES

The grapes were hand harvested at 19 ° B, destemmed, crushed and cold soaked for 30 hours. Gently pressed and left to settle overnight. Racked to stainless tank. Spontaneous fermentation then bottled at 0 degrees balling.

TASTING NOTES

This vintage has a lighter color than previous vintages. Red berry aromatics follow through with fresh cranberry flavors and an undercurrent of leafiness. Nicely fruity and pure with just a hint of sweetness.
