THE VIRTUAL SEARCH TOOL

The new Virtual Library Search Tool is an online database containing the text of every Joel Goldsmith book. It generates a comprehensive list of relevant sources when searching for a specific word or phrase. **A one-click jump links directly from the search result to the chapter within the corresponding online Virtual Book!**
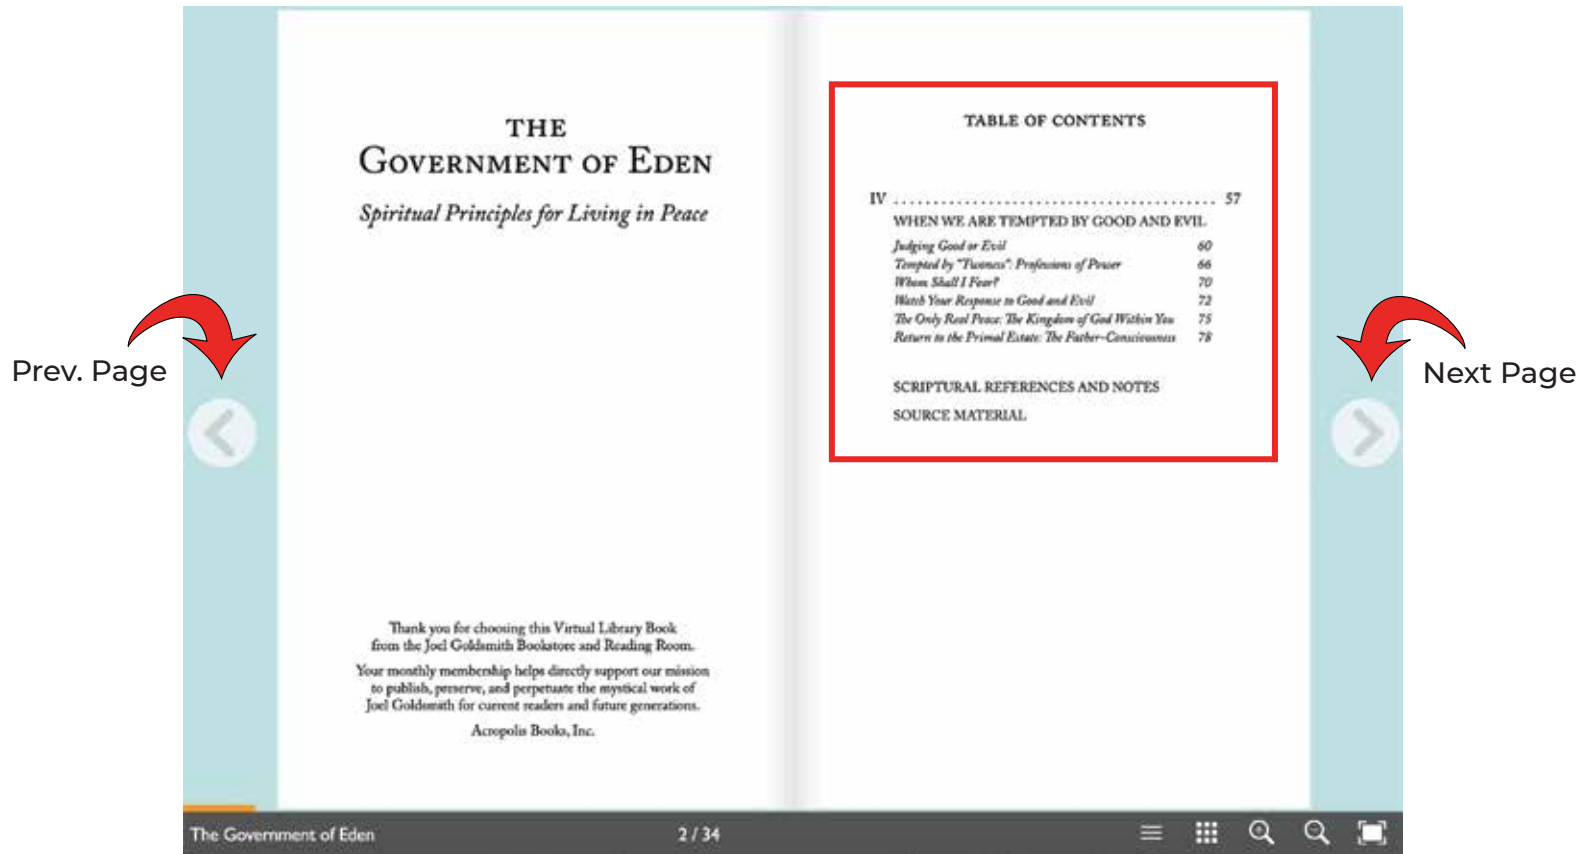

Click here for our Virtual Library Search Tool guide.

NAVIGATING VIRTUAL LIBRARY BOOKS

Whether you are reading a single chapter, or an entire virtual book, the navigation tools are the same. Your book or chapter will open in a new browswer tab. You will see the front cover of the book, an arrow indicating how to turn the page, and several tools along the bottom of the screen.
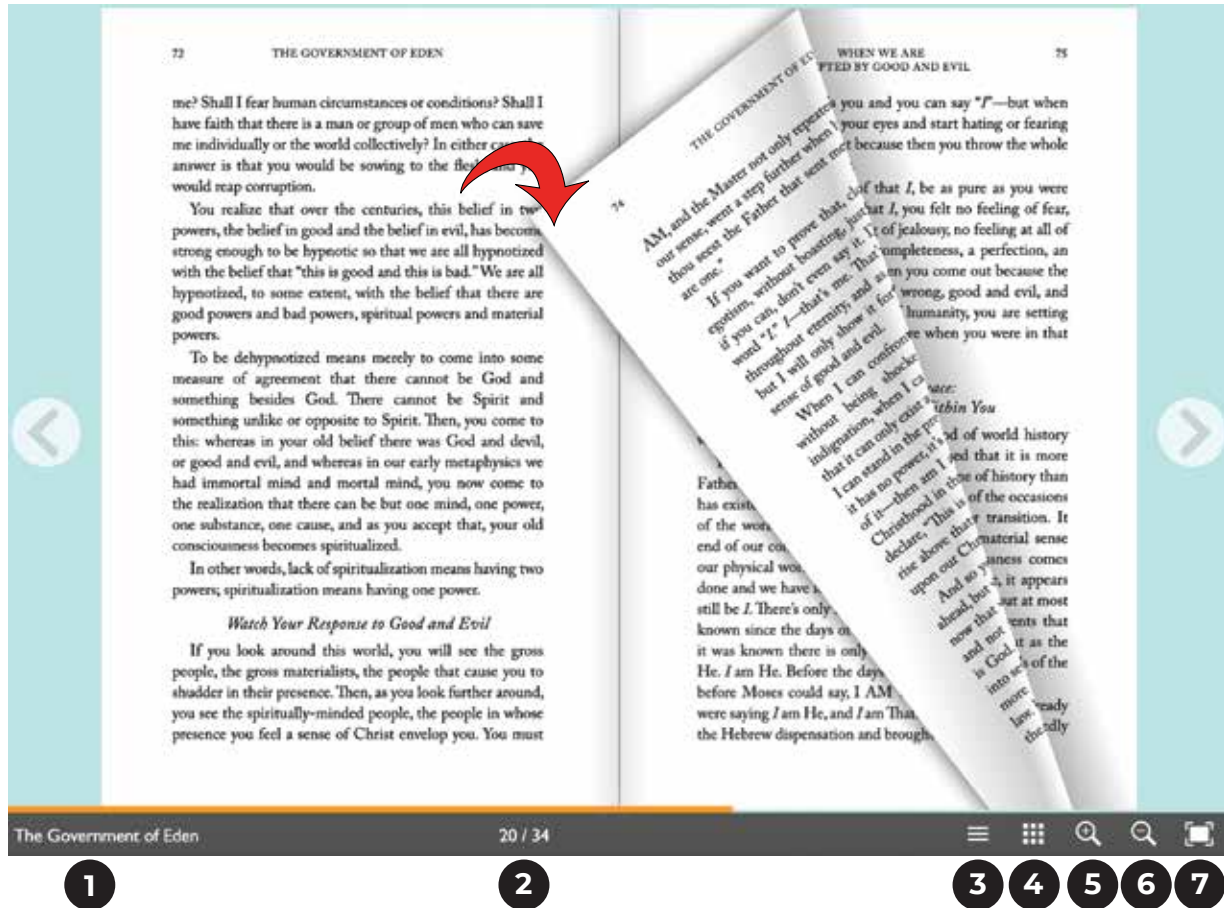

Use the arrows to turn pages as shown here.
