With a Little Help From The ....

## White Bluff – Rye Hill V.F.D.

### SUNDAY-DECEMBER 6<sup>th</sup> 2020 - 12:00 pm to 4:30pm

SEE BELOW AND ON THE BACK FOR THE TIMES AND ROUTES FOR SANTA'S ANNUAL VISIT  
through the **White Bluff—Rye Hill, Jenny Lind and Shadow Lake**  
communities within our Fire District

**\*\*\*\*\* AGAIN in 2020—Track Santa on his route through your area \*\*\*\*\***

Using the link or QR Code below or on our Website, Facebook page or Instagram Page

You can track SANTA and the Fire Trucks during his visit on the web at: [usft.com/WhiteBluffVFD](http://usft.com/WhiteBluffVFD)  
or scan this QR Code (Once at the tracking link—CLICK on the route you want to track and then click "FOLLOW")

Santa Claus will once again be riding throughout our FIRE COVERAGE AREA handing out goodies and passing on Christmas wishes to all, with the help of **YOUR** volunteer fire department. SANTA will retire his reindeer for the day to catch a ride on the Fire Trucks. This will be a great opportunity for you, your children, friends and/or grandchildren to meet and greet Santa, as well as, for the residents of the communities we serve, to see some of our fire trucks and meet the volunteers who make our community a safer place.

We will be using multiple fire trucks, and with SANTA'S **MAGIC** he will be traveling **THREE routes between 12:00 pm and 4:30 pm.** We cannot go down every street nor provide exact times we will be passing by or near your residence, so we ask that you use our new tracking feature or keep your eyes and ears open (**look and listen for fire trucks and sirens**) to meet and greet SANTA!

You can look at the MAPS on any of our SOCIAL MEDIA pages (to find out which SANTA ROUTE includes the area in which you live)

**SANTA ROUTE 1—West side of Hwy 71**

**SANTA ROUTE 2—Small part of west side of 71 and East Side of Hwy 71**

**SANTA ROUTE 3—Jenny Lind area and Shadow Lake area**

If you miss us along the route, please join us at 5325 Spring Mountain Road around 4:30 to 5:00 p.m. and SANTA will visit with your children there. SANTA will be gathering his things and heading back to the North Pole around 5:30 p.m.

In the event of HEAVY RAIN / ICE OR SNOW on December 6th—that makes driving through the area dangerous—SANTA's visit will be moved to Sunday December 13th at the same times.

If you know of a shut-in, elderly person, disabled or other person in our area, that is unable to come out to the street to meet SANTA and think they would enjoy SANTA coming to their door and saying "Merry Christmas" with a few goodies, please call one of the numbers listed below with their name and address and we will make every attempt to make that happen.
