Distributor's notes

From Kiko Calvo, who's fresh approach to making Toro with VINO Bigardo for so many years now has a couple of special new wines to offer us. A brand new wine made from 40-80yr old Tinta de Toro vines from 3 plots and aged in mix of different barrels for 12 months. Limited - less than 15 cases for the whole country!

Vineyards are organically grown over sandstone, clay and limestone soils. Everything is hand harvested with spontaneous fermentation in old, neutral oak. Zero filtering or fining. Minimal to no sulfur used at bottling. Super crowd-pleasing, medium-bodied red, that you might never expect comes from Toro! Definitely the new wave, not heavy or extracted like so many others.
