Distributor's notes

100% Garnacha, organically farmed (with some biodynamic techniques) grapes from the "Rambla del Peligrés" plot which express the most Mediterranean side of this grape, grown on sandy saline soils. Vines were planted in 2006.

Manually harvested in small boxes, 50% whole bunches in small concrete vats, 50% destemmed but not crushed. Spontaneous fermentation with native yeasts occurs in concrete on the skins and stems at room temperature. Lightly pressed and aged in concrete tanks for a further 5 months before being bottled unfinned, unfiltered, and zero SO2.
