LA FURTIVA

Sizes

750 mL × 12 — 12-013-01-19

Distributor's notes

Coming from organically farmed vineyards in Terra Alta (Vilalba dels Arcs) over sandy and clay-calcareous loam soils. This is a blend of 70% Garnacha Blanca, 15% Macabeo, and 15% Parellada. Hand harvested, direct pressing of the whole grape, without destemming, spontaneous fermentation with native yeasts in concrete tanks and chestnut barrels of 300L and 500L followed by 10 months in concrete tanks and chestnut barrels of the same size, plus 6 months in bottle minimum before release. Bottled unfiltered, unfiltered, and zero SO2.

About the producer

A very young Òscar Navas cut his teeth working for the famed Mallorcan winery 4 Kilos. It was there that La Furtiva was conceived. From a strong draw that he felt to his grandmaternal hometown in Terra Alta Òscar decided to stop working for other winemakers and instead conceive his own project in Vilalba dels Arcs.
