### Distributor's notes

Founded in the 1925, making Txakoli for 4 generations in a very traditional manner. A blend of 40% Hondarribi Zuri and 60% Hondarribi Beltza. The red Hondarribi Beltza grapes macerate for 2 days before the pressing, resulting in the light pink hue. Fermented and aged (very briefly) in stainless steel tanks and bottled unfined, slightly filtered, and with low SO<sub>2</sub>, (~45ppm) preserving the low ABV and natural spritz. Totally refreshing.
