# Make a flower press

1. Find some weeds that you can pick such as buttercups or dandelions.
2. Start with a sheet of card, then kitchen roll. Place the flowers on top and add another piece of kitchen roll and card to sandwich them.
3. Add some weight to press the flowers using some flat heavy items on top, books and a chopping board works well. Wait at least a week and then look inside!

The City of  
London protects  
and manages  
14 green spaces  
in and around  
London.
