

Setup the QFPay Secure Checkout Payment Gateway with Shopify

① Install the QFPay Secure Checkout Gateway

Visit the link below to download the QFPay Secure Checkout gateway:

https://www.shopify.com/login?redirect=%2Fadmin%2Fauthorize_gateway%2F1055351

② Activate the Gateway and Insert API Credentials

In the Shopify Backend navigate to **Settings -> Payments -> Alternative payment methods -> QFPay Secure Checkout**

Activate the gateway and insert the API Credentials provided by QFPay

③ Choose Your Accepted Payment Methods

Select your accepted payment methods and take out the checkmark „Enable test mode“ to allow customers to checkout with the gateway
