

Rust Remover & Conditioner RRC-600

PHYSICAL PROPERTIES :

Rust Remover & Conditioner RRC-600 is a safe, non-toxic, non-flammable formulation which effectively conditions rust. In addition to treating rust and corrosion, RRC-600 removes oil and other suitable coating or paint. RRC-600 can be used on a wide range of metal surfaces such as roofs, sidewalls, stairs, tools, fences, grating, equipment, vehicles, ramps, etc. Refer to published guide specifications for additional details.
