# FALLING SKATBOARDS

Two colors Risograph Print on Arco Print Milk 120g paper, using Metallic Gold and Fluor Orange colors. Print by Desisto in Lisbon, Portugal.

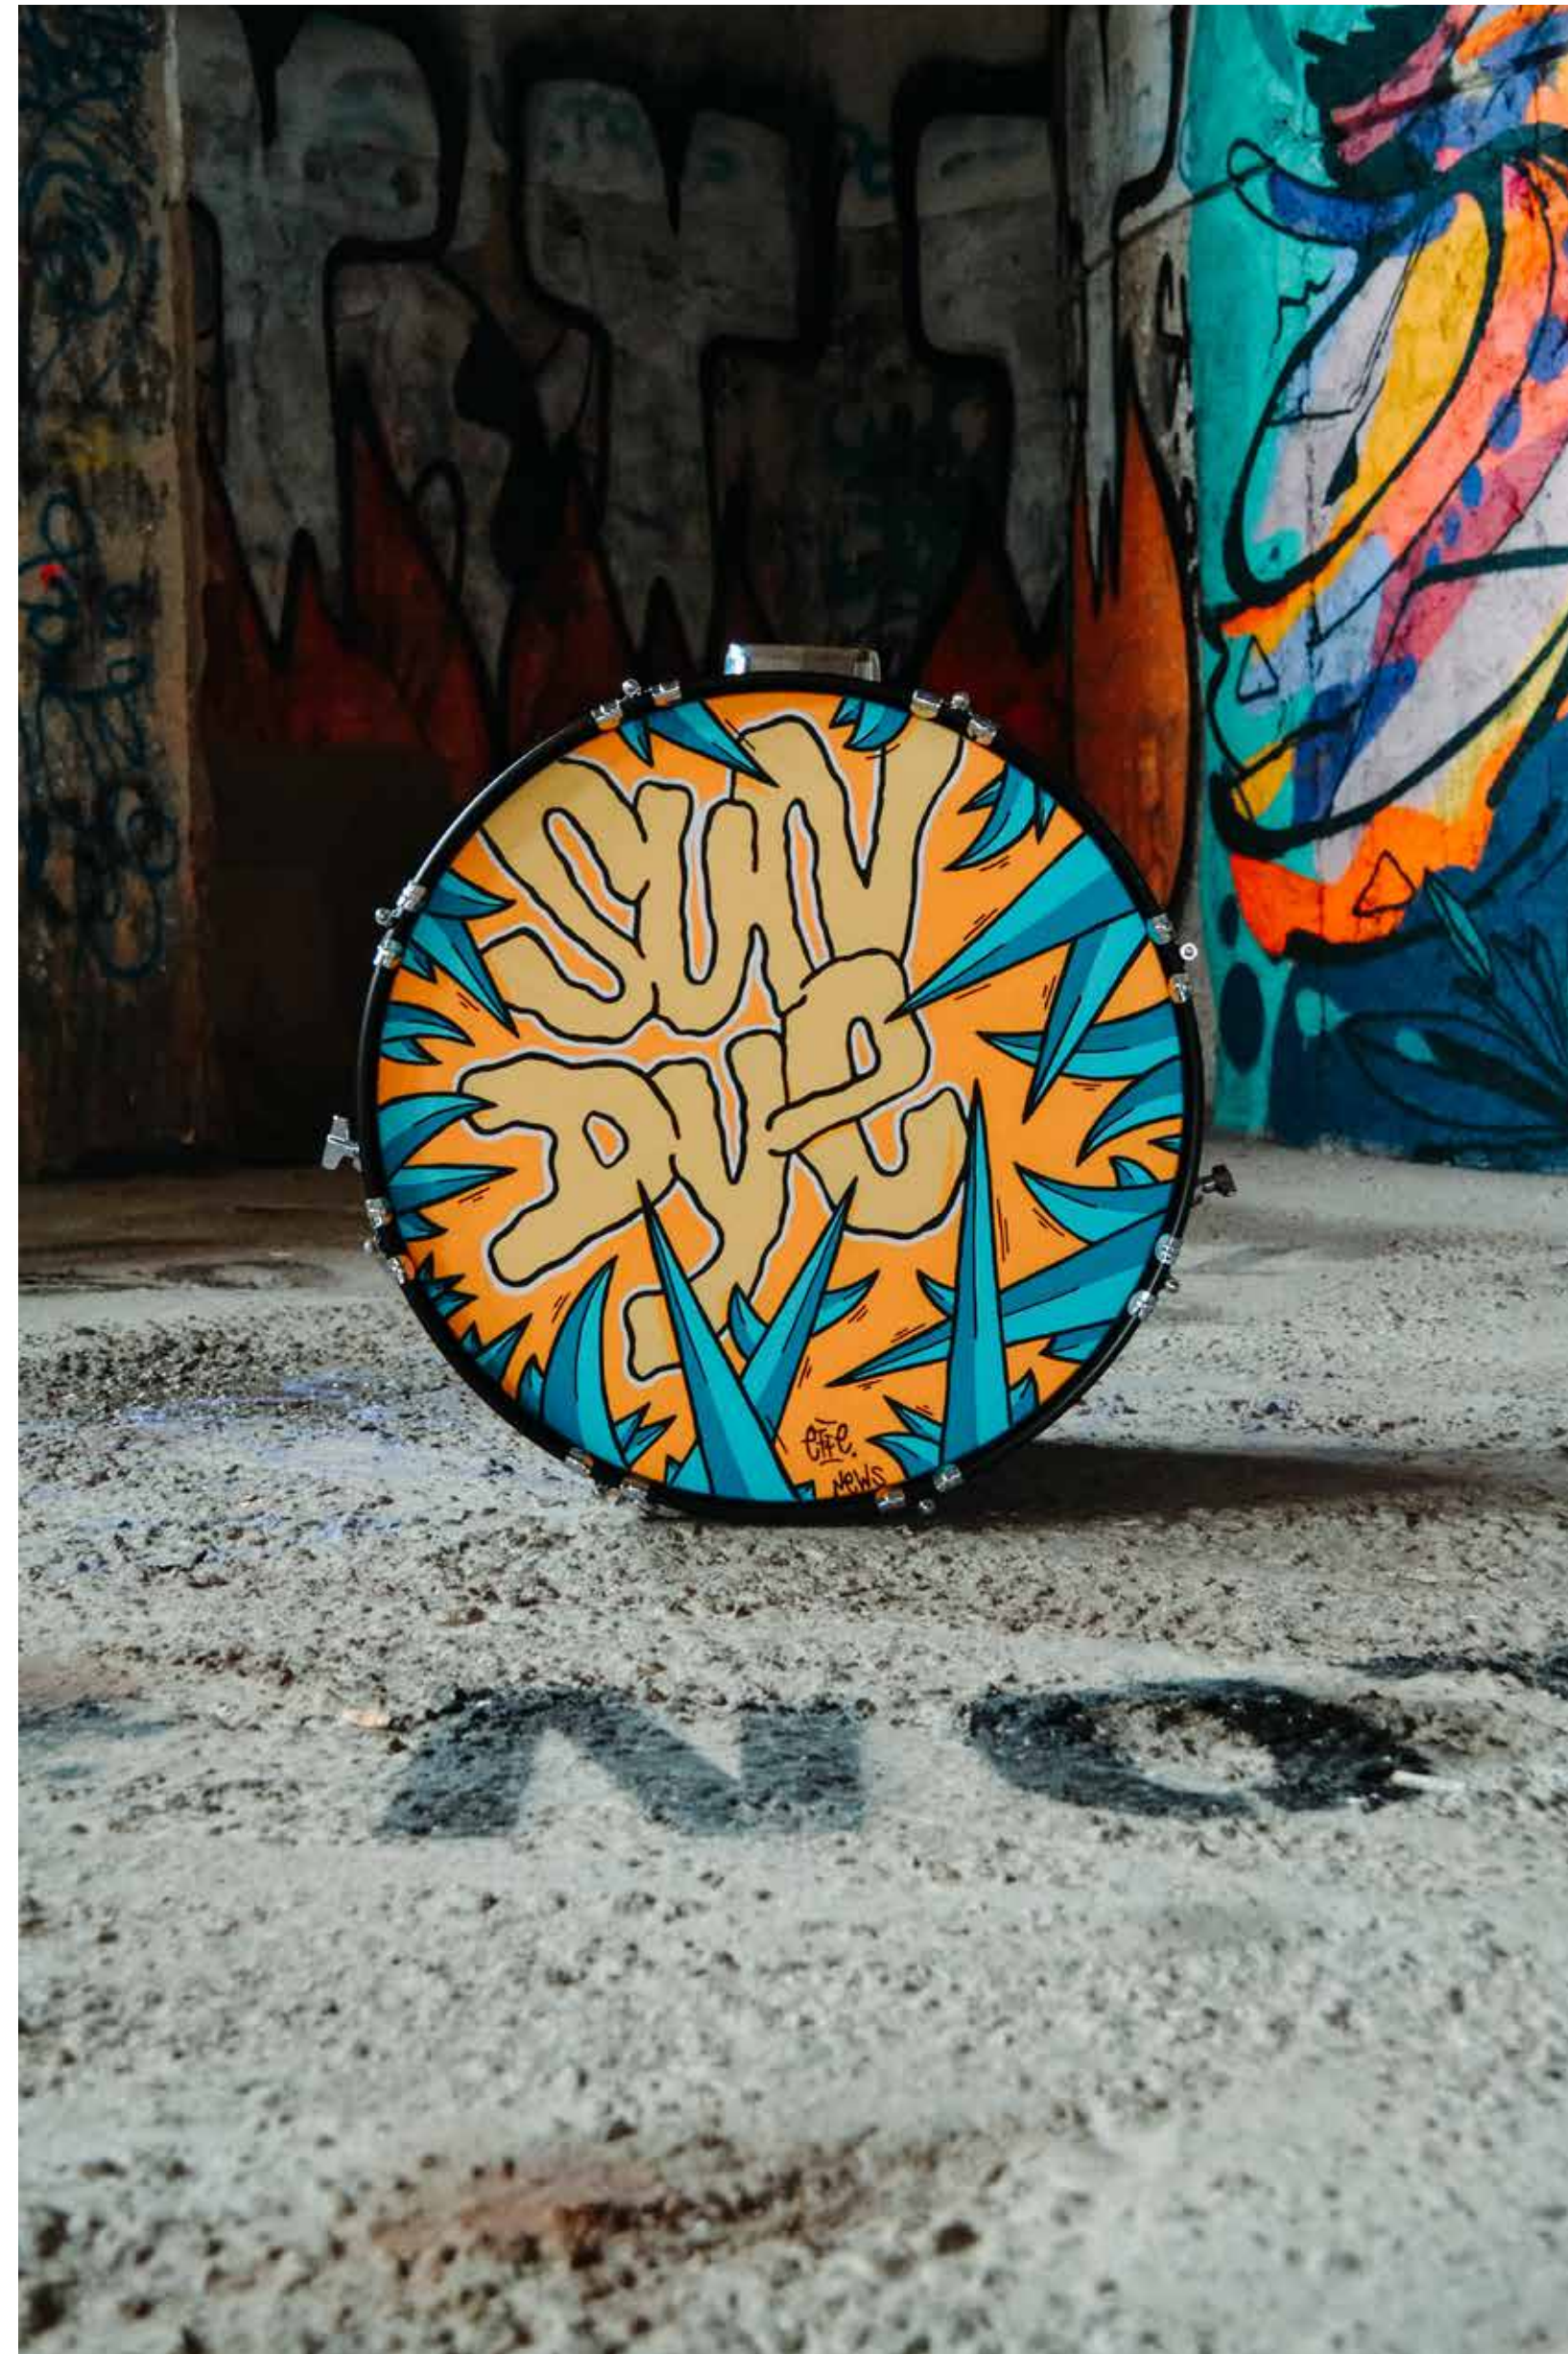

Creating different values using only 2 colors is one of the challenging steps of this kind of print method. Then I hand-finish the artwork using a Black Montana Colors Paint Marker.

# SUN DYE (CUSTOM DRUM)

Cool commission for the Portuguese Garage Rock band Sun Dye. Hand-Painted drum with acrylics and Montana paint markers.

# WE HAD OUR YOUTH

Black&White hand-lettering.

# LOST MY HEAD IN THE WOODS

Can you guess the spot? One of the craziest ones in Lisbon, Portugal! Chill place in the middle of trees, with a great view over the city. Definitely a place to visit, with great street art pieces all over the place.

# NADA PARA FAZER (DEMO RELEASE)

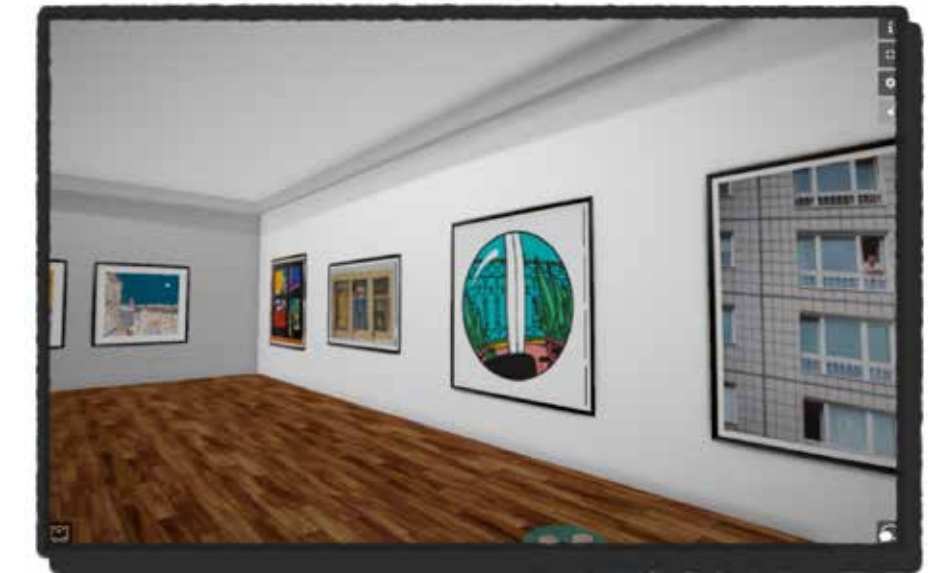

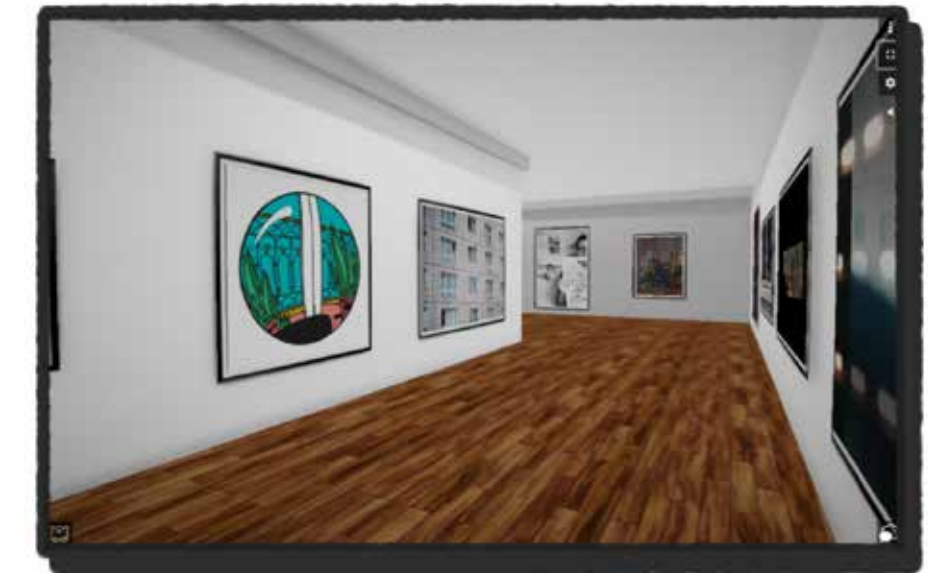

Commissioned work for the Portuguese Garage Rock band Sun Dye for they demo release track by the name Nada Para fazer.

# 30ST PÚBLICO ANNIVERSARY

Commissioned work for PÚBLICO newspaper 30st anniversary. Set of illustration for one special page about a 10th years-old kid. What a challenge it is to illustrate all dreams and life-goals of a ten years old kid. Art Direction by Sónia Matos.
