

Attila Somos

Product Designer

EXPERIENCE

Product Designer

InSided – Customer Community Platform, SaaS B2B

Nov 2020 – Nov 2021 – 1 year, Amsterdam

I was part of two development teams where I took responsibility for the UX at every step of the end-to-end development process following the Scrum method. I was also part of the product team lead by the chief product officer to shape the roadmap by proposing and exploring possible futures of our product.

Product Designer

UX studio – Design agency

Dec 2017 – Sept 2020 – 2 years 10 months, Budapest

I worked on numerous products and services. Besides design-related tasks, I did UX research, project management, designed and held trainings, and mentored junior designers as well. See more on my LinkedIn.

UX Designer

OTT-ONE Plc. – B2B Video-on-Demand solutions

Aug 2016 – Dec 2017 – 1 year 4 months, Budapest

I worked with various clients and big internal projects in different development stages and different platforms, from responsive web to native mobile, smart TV, and IoT devices.

UXUI Designer

Artklick – Startup and development agency

Jul 2015 – Aug 2016 – 1 year, Budapest

I worked on internal products and long term client projects at the same time.
