CONSERV SG67 Solid Laundry Detergent with Activated Color Safe Bleach is a one-shot system with 3 key ingredients (Detergent, Activator, and Oxygen Bleach) that are built into one product to allow increased cleaning and whitening results. These 3 key ingredients work together to achieve clean linen – even with short wash formulas and cold water.

Super concentrated - powers out tough soils, odors and stains.

Can be used in all water conditions.

Safer to handle.

Requires substantially less inventory and storage space.

Contains no alkyl phenols (APEs, NPEs).

Contains biodegradable surfactants.

Conserv SG67 has been certified by the U.S. Environmental Protection Agency's Safer Choice program.

EPA recognition does not constitute endorsement for this product. The Safer Choice logo signifies that the formula for this product, as Sunburst has represented to the EPA, contains ingredients with more positive health, safety and environmental characteristics than conventional cleaners. EPA/Safer Choice relies solely on Sunburst, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/Safer Choice has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of Sunburst's non-ingredients claims. EPA/Safer Choice expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.

DIRECTIONS FOR USE:

Remove cap and place container upside down in the dispenser bowl. Detergent is automatically dispensed in the wash cycle. Your Sunburst Representative will program the use levels for your specific application
