FIT ANTIBACTERIAL PRODUCE WASH

Sunburst has partnered with Health Pro Brands Inc to bring **FIT ANTIBACTERIAL PRODUCE WASH** to customers who are concerned about food safety and processing safe produce for their customers.

- Made from 100% All Natural ingredients, like citric acid, and contains no chlorine, peracetic acid or other harsh chemicals.
- Helps keep produce crisp and fresh by helping to control food spoilage organisms. No need to add or use a separate crisping agent.
- Cleans produce better because it actually removes significantly more dirt, soil, and people-handling residues, unlike washing with water alone, or with chlorine or peracetic acid based products.
- Rinses away clean, and unlike chlorine or peracetic acid, leaves no aftertaste or smell.
- Easy to use – Fit is available in liquid form and accurately dispensed with dilution equipment.
