ULTIMATE

Solid Laundry Detergent

ULTIMATE is a revolutionary solid detergent for institutional laundering. Penetrates beyond the surface to clean down into linen fibers. The unique dispensing system eliminates hazards caused by conventional caustic and sour systems.

Safe non-caustic detergent powers out tough soils, odors, and stains.

Replaces up to four standard chemicals.

Requires substantially less inventory and storage space.

Reduces formula times, providing energy, water and labor savings.

Gentle on linens - extends linen life and reduces replacement costs.

Reduces wrinkles and eliminates static cling, leaving linens feeling soft and fresh.

Outstanding detergent system for commercial or top-load machines.

Contains unique fabric conditioners recommended on all fabrics including table linens and incontinent pads.

Excellent results in soft or very hard water conditions.

Yields approximately 87 (50 lb) loads per 6.5 lb capsule.
