Description

This PREMIUM CL concentrated softener is formulated specifically for institutional multi-component laundry systems. It reduces "static" in drying operations and restores the "hand" to linens. Additional benefits include wrinkle reduction, improved extraction efficiency in the wheel and reduced dry time. Provides a "springtime fresh" scent for finished linens. PREMIUM CL concentrated formula improves ease of storage, handling and on premise use while delivering excellent end use economy. Designed for use with a storage rack to make the most of the available floor space in your laundry area.
