# Brewguard<sup>®</sup> Liquid CIP Cleaner

## PRODUCT DESCRIPTION

---

**Brewguard<sup>®</sup> Liquid CIP Cleaner** is a medium duty liquid alkaline product that has been formulated for use as a CIP cleaner for bright tanks, fermenters and the brewhouse. The heavy chelation of this product makes it an idea choice for anywhere that beer stone is an issue.

## PROPERTIES AND BENEFITS

---

- Low foaming, highly alkaline cleaner is ideal for CIP applications
- Highly chelated to prevent beer stone deposits. Repeated use removes beer stone deposits eliminating the need for acid washes
- Specially formulated to provide long lasting stability during extended high temperature cleaning
- Highly soluble liquid formulation mixes easily with water providing uniform solutions
- Effective in all water conditions
- Non-corrosive to stainless steel at recommended use dilutions

## DIRECTIONS

---

- Kegs, Bright Tanks, Fermenters: 2 – 4 oz. of product per gallon of water
- Brewhouse CIP: 6 to 8 oz. of product per gallon of water
- Consult your Shepard Bros. Inc. representative for specific use instructions and recommended dispensing equipment

## SAFE HANDLING

---

A Safety Data Sheet containing detailed information regarding the properties and safe handling of **Brewguard<sup>®</sup> Liquid CIP Cleaner** is available on request and should be carefully reviewed prior to using this product.
